Financial Accounting, Study Guide Jerry J. Weygandt 2010-01-12 Weygandt helps corporate managers see the relevance of accounting in their everyday lives. Challenging accounting concepts are introduced with examples that are familiar to them, which helps build motivation to learn the material. Accounting issues are also placed within the context of marketing, management, IT, and finance. The new Do It! feature reinforces the basics by providing quick-hitting examples of brief exercises. The chapters also incorporate the All About You (AAY) feature as well as the Accounting Across the Organization (AAO) boxes that highlight the impact of accounting concepts. With these features, corporate managers will learn the concepts and understand how to effectively apply them.

Managerial Accounting Jerry J. Weygandt 2007-10 From the leading accounting author team of Weygandt, Kimmel and Kieso, this new edition of Managerial Accounting gives readers the tools they need to succeed, whether as

accountants or in other career paths. The book helps build their decision-making skills and understand how to use accounting information to make quality business decisions. The third edition also continues the tradition of unparalleled accessibility by breaking difficult or complicated processes down into manageable, understandable steps.
