Curriculum Development for Gifted Education Programs Cannaday, Jessica 2018-02-28 Diverse learners with exceptional needs require a specialized curriculum that will help them to develop, socially and intellectually, in a way that traditional pedagogical practice is unable to fulfill. As educational technologies and theoretical approaches to learning continue to advance, so do the opportunities for exceptional children. Curriculum Development for Gifted Education Programs is a critical scholarly resource that examines the development of coursework for gifted and talented students. Featuring coverage on a broad range of topics, such as constructivism, diversity responsive method, and teacher training, this book is geared towards academicians, researchers, gifted education teachers, supervisors, directors, and administrators.
