Crisis Investor: Turning Financial Calamities Into Profitable Opportunities

Successfully James J. Hobart 2016-03-10 Have you ever wondered how investors,

businesspersons, and entrepreneurs became billionaires out of the Financial Crisis of 2008? Have you ever pondered why there were more millionaires created out of the Great Depression than at any other time in U.S. history? How did these successful people do it? The majority of successful crisis investors are not the speculators on Wall Street; a crisis speculator has the same odds of winning as a gambler in Las Vegas. The majority of crisis investors are ordinary people, like you and me, who protected their family and capital from a crisis, bought distressed, undervalued assets during the crisis, and generated new innovative products, businesses, and industries that changed the world for the better. My purpose for this book is to educate, inform, and raise awareness to help individuals protect themselves from a crisis, and to better their livelihood and community. Read my thoughts of a crisis in 2016, 2017, & 2018

What they find is a series of "S" words that reveal a "spectacular story!" With creative characters, humorous dialogue and great music, The "S"

Papa, le combat pour la vie Jean-François Chambon 2020-07-15 Tout commence par une simple prise de sang. La vie de toute la famille bascule. Ce séisme porte un nom qui fait frémir

même les plus puissants... une maladie dont souvent on n'ose prononcer le nom. En sept mois, papa aura subi cinq interventions sous anesthésie générale, dont trois en l'espace de deux semaines. Ces allers-retours vers l'enfer poussent papa jusqu'à ses dernières limites. Les plus proches assistent à une bataille où le patient ne veut pas céder un pouce de terrain face à ce dragon intérieur. Maman, présente depuis plus de trois décennies à ses côtés, n'est pas seulement un support, c'est la corde de vie qui retient papa dans ce monde. Si beaucoup se retrouvent seuls, autour de papa la mer se retire. Se découvre alors un cercle, celui d'amis sincères qui jusqu'alors étaient masqués par la foule. Sur ce chemin de douleur, de belles rencontres avec le personnel soignant, avec des compagnons d'infortune, sont autant de rayons de soleil dans un ciel bien sombre.

Philco Radio, 1928-1942 Ron Ramirez 1993 Finally, a superb reference book on Philco, the leading radio manufacturer during radio's "Golden Age." *Philco Radio: 1928-1942* not only shows many of Philco's radio receivers, but provides background on the company as well. Specifications for each model are given. The text is divided into a year-by-year look at Philco's radio line, so that the reader may see what Philco had to offer each year between 1928, when the company began to make radios, and 1942, when World War II put a halt to radio production. *Philco Radio* is an invaluable source for the radio collector. Anyone who enjoys antiques and collectibles or was lucky enough to remember radio's "Golden Age" will also enjoy taking a nostalgic trip through its pages. This is the first volume to feature Philco's radio products exclusively. The photographs and specifications will prove a valuable aid in identifying a particular Philco model.
