Sure, there's drawing, dancing, singing, and writing. But there's also art to be made from creating your own pair of angel wings or inventing a new toy or curating your own at-home film festival. It's time to declare the beat of your own drum.

Thank & Grow Rich Pam Grout 2016-08-30 Ever wonder why your thoughts easily create up-front parking spaces but don't always produce the fat wad of cash or the hot guy? Could it be you're on a different frequency? Could it be there's static in your consciousness? Abundance, love and peace are always available for the taking, but you have to get on the right frequency. And despite what you may have heard, it's not thinking that calls in miracles - it's thanking. When you're on the frequency of gratitude and joy, the universe is free to line things up, work things out, pull rabbits out of hats. When we observe the world from a place of gratitude, when we use our attention to spot beauty, to focus on possibility, we radically change our day-to-day experience. But why take someone else's word for it? The 30-day experiment in this book invites you to prove it to yourself. You'll also learn that abundance goes way beyond financial capital. An 'earnings' worksheet is provided to track your Thank & Grow Rich portfolio, which includes social, creative, adventure, alchemic and spiritual capital and comes with four personalized gifts straight from the always accommodating universe. Upgrade your life from ho-hum to Wahoo! in this exploration of energy, frequency and universal magic.

E3 - 9 nouvelles expériences qui prouvent que les miracles existent Pam Grout 2017-08-04 9 nouvelles expériences qui prouvent que les miracles existent... Après nous avoir démontré dans son précédent ouvrage intitulé E2 que les pensées pouvaient réellement se matérialiser, Pam Grout élève ici notre aptitude à créer des miracles à un niveau inégalé. Que vous ayez l'expérience de "manifester" ou que soyez totalement novice en la matière, E3 est un "must" pour renforcer votre croyance dans le pouvoir des intentions positives. Les expériences de ce livre sont non seulement extrêmement puissantes, mais elles sont aussi

faciles à apprendre et très agréables à réaliser. Au fur et à mesure que nous embrassons l'ordre naturel de la loi d'attraction, nous découvrons cet immense pouvoir que nous avons tous - celui de cocréer notre réalité. Et c'est là que la vie commence à être réellement intéressante.

The Formula - Self Help with a Twist Rebecca Bradley 2014-12-10 THE FORMULA - SELF HELP WITH A TWIST NO HIPPIE HYPE, NO NEW AGE FLUFF JUST 9 SIMPLE STEPS TO HAPPINESS*this book includes two FREE audio tracks that can be downloaded online."Even though I'm rather fond of hippie hype and New Age fluff, two things eschewed by this colorful little book from Rebecca Bradley and Suzi Tyler, it's definitely worth an eyeball. It has fun illustrations, inspiring quotes and stories from icons of pop culture. I particularly liked the story of Rebecca's transformation from "emotional mess" to spiritual malarkey-maker and it's wildly-original Periodic Table of Emotions. As these authors so wisely point out, transformation is only a thought (or maybe two) away.-- Pam Grout, New York Times bestselling author of 17 books including E-Squared and E-Cubed Do you often feel:* Time pressured, overwhelmed and hopeless?* Unhappy, numb or disconnected no matter what you do or what you 'have'?* Lonely even in a room full of people?* Like the real you has disappeared, overtaken by what everyone else needs you to be? * Caught in a cycle of crisis, bad luck, negativity or ill health?So many people feel unhappy. So many people feel lost, with no sense of purpose. Not so many people admit it though. It's like a secret club and everyone is too afraid to admit being part of it. If everyone realised just how everyone else really felt inside it would be so much easier, because then we would all realise that we pretty much feel the same at times, or that we all have exactly the same emotions. If we all knew we were so similar most anxieties or hang-ups would instantly dissolve.But instead, most of us put up a front and struggle on. We update social media with how we want ourselves to be 'seen' while inside we swallow down the misery and all consuming guilt that we might 'have it all' but still just don't feel happy. "I'm fine, everything's great." Becomes our catchphrase but the words don't ring true and are just a cover for the feeling of hopelessness inside.From the outside looking in,

it looks as though you "have it all", people envy you. You berate yourself constantly because you 'know' how lucky you are, but you just don't feel lucky. You feel unhappy and numb and in a way that just makes you feel even MORE guilty. Having it all means you should feel blissfully happy doesn't it? Having it all means you should feel fulfilled and like you know what your life's purpose is and what you should be doing, surely? Having it all means, you feel connected and happy and positive and calm and confident and..... DOES IT F***! Having it all can mean feeling even more confused, guilty and numb because you do have it all but you feel so disconnected and unhappy.The Formula provides a simple structure of 9 logical steps to help you go back to basics and relearn everything you currently know about yourself and where your beliefs come from. In plain, honest and sensible language it will give you practical tools to unwind your mind and change your way of thinking about your entire life.Hundreds of books and hours of knowledge have been filtered down to the bits that are the most effective. For you to see the biggest amount of changes in the shortest time possible. You will have access to real life experiences of the exact problems you regularly face, coupled with expert solutions to solve them. Get ready to understand yourself, your emotions, the world around you and your place in it, and your so called 'purpose'. Get ready to change your whole perspective on life - your assumptions, your opinions and your thoughts. Be prepared to feel more positive, more confident, more loving and more loved. Get ready to feel happy, have fun and easily cope with stressful situations. Get ready to feel all round more healthy and end your suffering of 'Sh*t Life Syndrome'. But most of all get ready to enjoy your life and finally appreciate having it all.

8 to Your Ideal Weight MK Mueller 2017-01-10 "Mueller's approach to regaining your well-being is about so much more than losing weight. It is about listening to and honoring your body, mind and heart." —Dr. Michelle Robin, host of the Small Changes, Big Shifts podcast Why do most diets fail? Because mental preparation is the most important first

step—and most diets neglect this essential mind-body aspect. Because of this, MK Mueller’s journey to her ideal weight was forty years in the making with a trail of unsuccessful attempts in her wake. Now, she shares her tried and true sugar-free diet, based on an eight-step program that will help you reach your ideal weight goal—and, most importantly, stay there. With her encouragement and gentle guidance, you can let go of the burden of living life as a weight number and reclaim your self-esteem and personal power. Her program is not about losing weight but “releasing” pounds that no longer serve you, that hold you back and drag you down, make you feel bad about yourself and leave you vulnerable to health risks. Adjust your attitude first, then adjust the way you eat. MK Mueller’s 8 to Your Ideal Weight will help you achieve your goals and motivate you to keep going. “Her powerful 8-step process offers a path for readers to not only release weight, but to follow their passion and discover their personal greatness.” —Dr. Francois Sauer, MD, author of Relearn, Evolve and Adapt

The Course in Miracles Experiment Pam Grout 2020-01-28 ACIM, the Fun Version! A real-world rewrite of the lessons of A Course in Miracles by the #1 New York Times best-selling author of E-Squared. A Course in Miracles is profound, deeply moving, and as boring to read as a bookshelf assembly manual. Ask for a show of hands at any self-help gathering, and 95 percent will happily admit to owning the dense blue book that's a famous resource for spiritual transformation. Ask the obvious follow-up, "How many have actually read it?" and all but a smattering of hands go down. It's as if everyone wants the miracles, the forgiveness, and the mind shifts, but they just can't bear its ponderous heaviness. Pam Grout to the rescue! Her new book is for all those still struggling with the Course. Grout offers a modern-day rewrite of the 365-lesson workbook-the text at the heart of the Course. Unlike the original, it's user-friendly, accessible and easy for everyone to understand. In daily lessons with titles like "The Home Depot of Spiritual Practices" and "Transcending the Chatty Asshat in My Head," Grout drills down to the Course's essential message and meaning, grounding it in the context of everyday life in a way that's bound to stick. The lessons here blend eternal truths with pop culture and personal stories that are laugh-out-loud funny and deeply soul-stirring, often at the same time. You won't be tempted to use this Course in Miracles as a doorstop. You'll want to use it, every day, to change your life.
