**Poland** Marc E. Heine 1987 The history of Poland is a dramatic one, yet Poland remains largely unknown. Marc Heine's deep knowledge of Poland brings alive its famous cities and varied countryside. He takes the reader on a guided tour through modern Warsaw, one of the most fascinating cities in Europe, and describes the pride and determination which has rebuilt the city so beautifully following the devastation of the Second World War. He not only points out the major sights, but also recounts their past and present history.

**The Chosen Maiden** Eva Stachniak 2017-01-17 The lush, sweeping story of a remarkable dancer who charts her own course through the tumultuous years of early twentieth-century Europe. Beautifully blending fiction with fact, The Chosen Maiden plunges readers into an artistic world upended by modernity, immersing them in the experiences of the era's giants, from Anna Pavlova and Serge Diaghilev to Coco Chanel and Pablo Picasso. From their earliest days, the Nijinsky siblings appear destined for the stage. Bronia is a gifted young ballerina, but she is quickly eclipsed by her brother Vaslav. Deemed a prodigy, Vaslav Nijinsky will grow into the greatest, and most provocative, dancer of his time. To prove herself her brother's equal in the rigid world of ballet, Bronia will need to be more than extraordinary, defying society's expectations of what a female dancer can and should be. The real-life muse behind one of the most spectacular roles in dance, The Rite of Spring's Chosen Maiden, Bronia rises to the heights of modern ballet through grit, resilience and fervor. But when the First World War erupts and rebellion sparks in Russia, Bronia—caught between old and new, traditional and ground-breaking, safe and passionate—must begin her own search for what it means to be modern.

**The Unraveling . . . of the Rug Merchants** Janice Zalewski 2012-11 Her head is spinning faster than a whirling dervish's. Yet, Christen, the owner of the Galleria Persian Arts in the New Orleans's iconic French Quarter, is caught up in doing what is fun versus doing what is right. Her intuition is good; it tells her that this man might be trouble. He looks like Omar Shariff, knows Persian rugs, and acts like he can sell a lot of them. Her sensual nature wants to hire him on the spot. Her Catholic Blessed Mother upbringing cautions her to be careful. The Unraveling of the Rug Merchants recounts the undoing of 44-year-old Polish Catholic Christen Janizeski, by hiring Jamshid Khafezi, an exiled Sufi mystic and Moslem rug merchant as her manager. Booklovers take a metaphorical magic carpet ride around the Islamic World where they are privy to honest bohemian introspective chit chat from paradoxical cultural perspectives. They meet exotic characters when they are taken into native homes and bustling bazaars where they listen in on indigenous conversations and intuit the consequence of forbidden love and sexual intrigue. Readers witness a collision

of remarkable characters and worlds as this is at once an extraordinary story of two people who are about to discover who they really are and an unforgettable look into the impact of poor Ohio Valley coal mining country and the stunning culture of Islam.

Ecstatic Pessimist Peter Dale Scott 2023-02-28 Ecstatic Pessimist is a timely book about the Central and Eastern European experience of the mid 20th century, as told through the poetry and experiences of Czeslaw Milosz, Nobel Laureate for literature, who wrote on the horrors of war and the human experience. Written by a colleague and friend of the poet, it is part literary criticism and part memoir. This biography/memoir of Czeslaw Milosz is a first hand account of the poet's life and his relationship to the author, beginning in the 1960s. Milosz was a Polish-American poet, prose writer, translator, and diplomat. Regarded as one of the great poets of the 20th century, he won the 1980 Nobel Prize in Literature. In its citation, the Swedish Academy called Milosz a writer who "voices man's exposed condition in a world of severe conflicts". Ecstatic Pessimist expands on Czeslaw Milosz's commitment to "unpolitical politics" - working for a revolution in culture, and above all poetry, as a necessary preparation for a revolution in politics. This is a familiar notion in Poland, which for two centuries was politically divided, but poets preserved and enhanced a lively Polish consciousness, And, as the book shows, Milosz took steps over two decades to help reunite Poles in the successful Solidarity movement, whose struggle eventually changed the regime and forced the Soviet armies to withdraw. But the book is designed to encouraged a similar development in America. Milosz's ambition for poetry may at first sound exotic, but as the book says, it is in the spirit of what John Adams wrote late in life to Thomas Jefferson: "The [American] revolution was in the mind of the people, and in the union of the colonies, both of which were accomplished before the hostilities commenced." Though the book is also designed for those who already know and love Milosz, it is primarily written for those looking for someone whose genius could similarly inspire Americans of both left and right to unite in restoring the badly broken politics of this country. The book argues that Czeslaw Milosz is that genius, as perhaps the only person who has been praised by intellectual leaders like Chris Hedges on the left, and has also spoken at Hillsdale College, the intellectual citadel of the American right.

This work examines the dark mother archetype and explores the Black Madonna's functions in the varied cultures of Poland, Mexico and the American southwest, Brazil, and Cuba.
