LANGUAGE HACKING SPANISH (Learn How to Speak Spanish - Right Away) Benny Lewis 2016-11-17 Crack the Code and Get Fluent Faster! "I had to learn [a new language] in a handful of days for a TV interview. I asked Benny for help and his advice was invaluable." - Tim Ferriss What if you could skip the years of study and jump right to speaking Spanish? Sound crazy? No, it's language hacking. It's about learning what's indispensable, skipping what's not - and using what you've learned to have real conversations in Spanish - from day one! Unlike most traditional language courses that try to teach you the rules of a language, Language Hacking Spanish, shows you how to learn and speak Spanish immediately through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. The Method Language Hacking takes a modern approach to language learning, blending the power of online social collaboration and the 80/20 principle of learning (Benny's ten #languagehacks show you how to achieve more with less!). It focuses on the conversations and language that learners need to master right away, rather than presenting language in the order of difficulty like most courses. This means you can start having conversations immediately. Course Features Each of the 10 units culminates with a speaking mission that you can choose to share on the italki Language Hacking learner community (www.italki.com/languagehacking) where you can give and get feedback and extend your learning beyond the pages of the book. The audio for this course is available for free on library.teachyourself.com or from the Teach Yourself Library app. You don't need to go abroad to learn a language any more.

Language Hacking Spanish Benny Lewis 2016-09-27 Crack the Code and Get Fluent Faster! 'Ten years ago, Lewis spoke only English. But constant travel, along with a buoyant attitude, has unmasked the polyglot within.' -National Geographic #LanguageHacking is a state of mind. It's about ditching excuses, using shortcuts and taking risks. It's about learning what's indispensable, skipping what's not - and most importantly speaking from day one! How's it different? Unlike traditional language courses that are organized by level of difficulty, #LanguageHacking Spanish focuses on the language and conversations you need to master so you can start speaking immediately, not after years of study. Key features - 10 'mission-based' units that build up to an easy-to-achieve speaking goal - 10 simple and effective 'language hacks' to exponentially boost fluency - 28 model conversations and hundreds of the most frequent and useful 'power phrases' - Clever strategies that show how even a limited vocabulary can be put to good use - Free downloadable audio and extra hacker resources Free access to the #LanguageHacking community, custom created by italki, a ground-breaking website that makes it possible to learn a new language without going abroad.

Language Hacking German Benny Lewis 2017-03-28 It's true that some people spend years studying German before they finally get around to speaking the language. But here's a better idea. Skip the years of study and jump right to the speaking part. Sound crazy? No, it's language hacking. Unlike most traditional language courses that try to teach you the rules of German, #LanguageHacking shows you how to learn and speak German through proven memory techniques, unconventional shortcuts and conversation strategies perfected by one of the world's greatest language learners, Benny Lewis, aka the Irish Polyglot. Using the language hacks -shortcuts that make learning simple - that Benny mastered while learning his 11 languages and his 'speak from the start' method, you will crack the language code and exponentially increase your language abilities so that you can get fluent faster. It's not magic. It's not a language gene. It's not something only "other people" can do. It's about being smart with how you learn, learning what's indispensable, skipping what's not, and using what you've learned to have real conversations in German from day one. The Method #LanguageHacking takes a modern approach to language learning, blending the

power of online social collaboration with traditional methods. It focuses on the conversations that learners need to master right away, rather than presenting language in order of difficulty like most courses. This means that you can have conversations immediately, not after years of study. Each of the 10 units culminates with a speaking 'mission' that prepares you to use the language you've learned to talk about yourself. Through the language hacker online learner community, you can share your personalized speaking 'missions' with other learners - getting and giving feedback and extending your learning beyond the pages of the book . You don't need to go abroad to learn a language any more.

Fluent in 3 Months Benny Lewis 2014-03-11 Benny Lewis, who speaks over ten languages—all self-taught—runs the largest language-learning blog in the world, Fluent In 3 Months. Lewis is a full-time "language hacker," someone who devotes all of his time to finding better, faster, and more efficient ways to learn languages. Fluent in 3 Months: How Anyone at Any Age Can Learn to Speak Any Language from Anywhere in the World is a new blueprint for fast language learning. Lewis argues that you don't need a great memory or "the language gene" to learn a language quickly, and debunks a number of long-held beliefs, such as adults not being as good of language learners as children.
