It will help you remember why you started your journey to be in the Top 20%. Believe in yourself, set goals, achieve your goals, invest in yourself, follow your dreams, and most of all WORK HARDER is the theme of I Dare You! Charles Russell Walker III, Entrepreneur Something happens when you get absorbed by a book, and you love it so much that you will write your thoughts in the margins. Becoming a student of "I Dare You" is about learning and achieving results when you are active in the process. When you make notes in the margin and underline a sentence, you can hear yourself talking with the author, in this case me. When you are so excited about a sentence or paragraph because of how it relates to you, and you decide to write a note on the inside cover or in the margin, you can not only see and feel my ideas taking shape, but more importantly, your thoughts. You can even argue with me the author under your breath, or I hope out loud and come up with your theories, ideas, and explanations as to what is happening in your life or business concerning the ideas in this book. In all of these ways, you become a co-author of my book entitle "I Dare You." "I Dare You' is an experience that cannot be taught in a classroom. It is all about absorbing the ideas, making them your own, and aspiring to be in the Top 20%.

These undertakings can do wonders to help leaders of all stripes improve their effectiveness. But not every leader finishes what he or she starts--and many revert back to less effective habits, often without even realizing it. How can you ensure that you stick with all the positive changes you have made? How do you make sure you don't slip back into your old ways? Answer: Leadership Sustainability Dave Ulrich--the man BusinessWeek referred to as the "#1 Management Educator and Guru"--teams up with leadership expert Norm Smallwood to go where no leadership guide has gone. This dream team provides sophisticated, proven leadership sustainability ideas and tools that you can put to use immediately.
