The Motorhome Buyer's Guide James Brown 2026-02-17 Buy with confidence. Avoid expensive mistakes. Get the motorhome that actually fits your life. Choosing a motorhome is supposed to be exciting. In reality, it's a minefield of confusing layouts, weight limits, payload surprises, dodgy listings, and "helpful" advice that just happens to match whatever someone's trying to sell you. The Motorhome Buyer's Guide is different. Built from the distilled, real-world experience of thousands of MotorhomeFun members and Jim Brown's 40+ years around motorhomes, this is a straight-talking, bias-free guide written for one purpose: to help you buy the right motorhome at the right price, safely. No sponsor influence. No brand worship. Just practical, UK-relevant guidance that saves you time, stress, and money. Inside, you'll learn how to: Work out what you actually need (before you waste months viewing the wrong vans) Choose the right type, size, base vehicle, and layout for how you travel Understand weights, payloads, and driving licence limits before you commit Make the new vs used decision with your eyes open Spot scams, buy safely online, and handle private purchases correctly Negotiate properly and avoid overpaying Ask the questions that reveal the problems sellers don't mention If you're buying your first motorhome (or replacing one), this is the guide you'll want beside you before you hand over a penny.
