Gandhi in the Twenty First Century Anshuman Behera 2022-02-11 This book engages a multidisciplinary approach to understand Gandhi in addressing specific contemporary societal issues. The issues highlighted in the book through thirteen distinct, yet interrelated, themes offer solutions to the societal challenges through the prism of Gandhian thought process. This edited book explores how

ideas Gandhi expressed over a century ago can be applied today to issues from the UN's Sustainable Development Goals to peaceful resolution of conflicts. In particular, it looks at the contemporary societies' critical issues and offers solutions through the prism of Gandhian ideas. Written in an accessible style, this book reintroduces Gandhi to today's audiences in relevant terms.
