**He Came to Set the Captives Free** Rebecca Brown 1992-07-01 For seventeen years, Elaine served her master, Satan, with total commitment. Then she met Dr. Rebecca Brown, who served her master, Jesus Christ, with equal commitment. Elaine, one of the top witches in the U.S., clashed with Dr. Brown, who stood against her alone. In the titanic life-and-death struggle that followed, Dr. Brown nearly lost her life. Elaine, finding a power and love greater than anything Satan could give her, left Satan and totally committed her life to Jesus Christ. This is an honest, in-depth account of Satan's activities today. You'll see how to: Recognize and combat the many satanists who regularly infiltrate and destroy Christian churches. Recognize and combat satanic attacks. Recognize those serving Satan, and bring them to Jesus Christ.

**Satanism: A Social History** Massimo Introvigne 2016-08-29 A 17th-century French haberdasher invented the Black Mass. An 18th-century English Cabinet Minister administered the Eucharist to a baboon. High-ranking Catholic authorities in the 19th century believed that Satan appeared in Masonic lodges in the shape of a crocodile and played the piano there. A well-known scientist from the 20th century established a cult of the Antichrist and exploded in a laboratory experiment. Three Italian girls in 2000 sacrificed a nun to the Devil. A Black Metal band honored Satan in Krakow, Poland, in 2004 by exhibiting on stage 120 decapitated sheep heads. Some of these stories, as absurd as they might sound, were real. Others, which might appear to be equally well reported, are false. But even false stories have generated real societal reactions. For the first time, Massimo Introvigne proposes a general social history of Satanism and anti-Satanism, from the French Court of Louis XIV to the Satanic scares of the late 20th century, satanic themes in Black Metal music, the Church of Satan, and beyond.

[Becoming a Vessel of Honor](#) Rebecca Brown 1992-11-01 Power over Satan Can Be Yours Becoming a vessel of honor is written for all those children of God who hunger and thirst after a close personal relationship with Him. It is for those who long to hear His voice in their innermost being, who will not be satisfied with anything less than the experience of His presence and glory. It is for those who value such a relationship with our wonderful Creator enough to be willing to pay the price in their own lives to achieve it--the pain of daily carrying the cross. It is for those who are willing to strive for holiness in obedience to our beloved Master, the Lord Jesus Christ. The purpose of this book is also to help you understand the rapidly expanding world of the occult so that not only can you can cleanse yourself from any involvement in it, but also avoid its traps. —Rebecca Brown, MD Subjects include: The key to spiritual power--personal holiness The armor of God--how to use it effectively The sin nature--how to understand it and control it Defilement of God's temple--how to avoid it The Holy Spirit vs. demon guides--knowing the difference Deliverance--case studies and guidelines This book contains secret satanic war plans previously not found in print. It reveals how the followers of Satan are openly confronting the followers of Jesus Christ. You must learn the key to spiritual power before you need it! A must for every child of God!

**Passover & Sukkot** Thomas H. Perdue 2011-09-27 Passover & Sukkot, Forever explains the adoption of Constantine's Counsel of Nicene in 325 CE, of Pagan Christmas and Easter in the Christian faith, and why those holidays, celebrated in all Christian faith denominations should not be celebrated. The work discusses why Passover should be recognized and will be ongoing forever and the Festival of Sukkot is the celebration and honoring of the birth of our Lord. Written to show that Easter and Christmas are never mentioned in the Bible, yet our churches today are celebrating Christmas as Christ's birthday, when it can be shown that Christ was born at an earlier time of the year In fact, Christmas was not even introduced to

America until the middle of the 19th Century.

**Partnership, Teamwork and Networking** Onyechi Daniel 2013-02-14 God will not trust any of us with all the gifts and abilities required for all round victory; this will breed destructive pride. God does not only want us to depend on Him, but also to depend on one another. We are created to compliment one another. The Bible says clearly that as each one has received a gift, minister it to one another, as good stewards of the manifold grace of God (1Peter 4:10). This book shows you why and how to start prayer partnerships. Prayer partnership is not only for young believers; many mature intercessors and frontline ministers have been saved from costly mistakes and death by the revelations and inputs of their prayer partners. Every pastor or frontline minister needs personal intercessors, or a team, working closely with them. This book discusses the raising and operations of personal intercessors and how to do team ministry. The present spiritual landscape is difficult for lone-rangers to survive for too long; it takes common sense and humility to accept that you need help. This book discusses team ministry, with testimonies; and with details on church/land deliverance. The Church will gain huge victory when pastors and leaders would stop fighting one another and employ networking as a compulsory option in spiritual warfare. The author shares deep revelations on the principles of networking. Every intercessor or minister needs to read this book!!!

**The Rubicon** CELESTINE ODOMS 2010-03-31 We make decisions everyday. Some are life altering and once made, cannot be undone. How many times have we been at major decision making junctures in our lives? Whether or not or have a child? Which job offer to take? Should I get married? These are decisions that have forever changed our lives and altered our existence. Most of the time we forget about the choices that were available once we get on with our lives. Eventhough we may wish, at times, our decisions had been different, our lives have been forever altered. Some people believe in fate and what will be, will be. Still others fancy themselves masters of their own souls. Most of us are somewhere in between. We grope at life's decisions struggling to always make the right one. If we could know the future and exactly how each decision we make will pan out over our lifetime, then the process of picking the right road would be much easier. "THE RUBICON" presents a road that has a schceduled end -a predetermined result-a means to an end that is a roller coaster ride of happiness, joy and peace no matter what your circumstances are. "THE RUBICON" offers an understanding of why we exist and offers a poignant yet livable standard. There is no place on earth like living in the Master's Plan serving out His purpose for your life. You are created to give God praise and glory through your gifts and your talents. "THE RUBICON" beckons you to open up your awareness and see like you have never seen before- with the eyes of your understanding. "THE RUBICON" calls to your spirit to free itself from the bondage and oppression of ignorance and associate itself with the liberty that can only come from the God who created it. "THE RUBICON" challenges you to choose this day whom you will serve. Stop taking your knowledge from creation and link your soul to the all-knowing One-The Creator-The Alpha and the Omega-The Beginning and The End. The One who had no beginning who always was and always will be. Connect yourself to the source of life and allow His wisdom to flow to you and through you with eternal waves of glory. Our God is Holy and once you stand in His presence and begin to see Him as He is, then His holy presence becomes enough for you. You will want His presence more and more! It's one thing to be hungry for power and quite another thing to be satisfied by God's presence. "THE RUBICON" offers you a peek at what it feels like when He comes. Taste and see that He is Good.
