Practical refers to a person, idea, project, etc, as being more concerned with or relevant to practice than theory: he is a very practical person; the idea had no practical application. PRACTICAL definition: of or relating to practice or action. See examples of practical used in a sentence. The meaning of PRACTICAL is of, relating to, or manifested in practice or action : not theoretical or ideal. How to use practical in a sentence. You describe people as practical when they make sensible decisions and deal effectively with problems. If you say that a person is practical, you mean the person behaves in ways that relate more to the realities of the world than to ideas or desires: A stapler is a practical object — it has a use. A hand-crocheted stapler cozy designed to keep a stapler warm at night? Not practical at all. We could try to continue, but it's more practical to start over. We left early for practical reasons—there's less traffic then and it's cooler. If you say that a person is practical, you mean the person behaves in ways that relate more to the realities of the world than to ideas or desires:
