ADMIRALTY definition: the office or jurisdiction of an admiral. See examples of admiralty used in a sentence. Admiralty law in the United States developed from the British admiralty courts present in most of the American colonies. These courts functioned separately from courts of law and equity. The Admiralty was among the most important departments of the British Government, because of the Royal Navy's role in the expansion and maintenance of the English overseas possessions in the 17th ... In English-speaking countries, "admiralty" is sometimes used synonymously, but in a strict sense the term refers to the jurisdiction and procedural law of courts whose origins may be traced to the office ...
