**Milady's Standard Cosmetology 2012** Milady 2011-05-24 Since 1938, the Milady Standard Cosmetology has been the premier textbook for Cosmetology education. Each subsequent edition has evolved with the changing styles of the era while maintaining a firm foundation in the basic procedures and applications of beauty culture that have endured for generations. Building upon the strong pedagogical features of previous editions, the Milady Standard Cosmetology 2012, International Metric Edition is vibrant and colorful to capture the visual learner's interest and focus their attention on the subject matter which is the cornerstone of their education. The Milady Standard Cosmetology 2012 textbook takes advantage of the most sophisticated methods for relaying information, stimulating thought, aiding comprehension, and enhancing retention. This new edition contains a completely revised section on infection control principles and practices, new procedures, and revised and updated chapters written by industry experts, as well as step-by-step procedures demonstrated specifically for left-handed individuals. Educators and students have access to over twenty instructor tools and student supplements which greatly increase the chances for student success and make lesson planning simple. Each supplement has been tailored to fit the exact needs of the cosmetology student and match the changes made to the new edition. The Milady Standard Cosmetology 2012, International Metric Edition with both imperial and metric units is the basis for your students' success during their education and will continue to be a valuable resource as they progress through their careers.
