Run, Rose, Run Dolly Parton
2022-03-07 Every song tells a story. She's a star on the rise, singing about the hard life behind her. She's also on the run. Find a future, lose a past. Nashville is where she's come to claim her destiny. It's also where the darkness she's fled might find her. Find Me Carla Kovach
2022-07-14 I'll never forget that day. It was blisteringly hot, and I begged our mother for an ice cream. As we left you with Dad, I didn't know it would be the last time I saw your face. Minutes later, we returned to the end of the pier where we had parked your pushchair. Dad was asleep on a bench, and your little pink

blanket was empty. You had vanished. Twenty-five years later. The morning of the anniversary of Jess's disappearance starts like every other for her sister Kate - a rushed school run, a cold cup of coffee and a quick scan of the news for updates. But when her phone beeps with a message from an unknown number, everything changes. I know what happened to Jess. Finally, Kate's a step closer to getting answers to the questions that have tormented her for so long. Why was her mother so angry that day? How did her father sleep through his own daughter's abduction? And when the police car came screeching towards the pier, how is it that nobody saw a single thing? As she drives her young family to the seaside town to meet the mystery messenger, she feels uneasy. Who are they and why did they reach out now? But before Kate finds out, history repeats itself

and her world is turned upside down once more. Then Kate receives one final, terrifying message... will her pursuit of the truth cost the lives of everyone she has ever loved? This completely unputdownable psychological thriller will have you hooked from the very first page. Perfect for fans of *Gone Girl*, *The Girl on the Train* and *The Wife Between Us*. The Girl from the Forgotten Village Mary Rose Raffaele-Scala 2013-09-09 I have often wondered how many other persons experienced a

childhood such as I did with all the bizarre situations that occurred. I am certain that there will be a cause for doubt and skepticism when people read about it. However, they are all true. I don't wish to repeat any of them. Ultimately, I felt Morrison held a unique story of immigrants (mostly related) that held steadfast to their heritage; yet survived by the gifts of the land along with all the challenges and hardships. I also wanted to share in the beauty of Kinzua Country and the Dam that caused us to say goodbye to our homes forever. Kinzua was a quaint village set in a beautiful valley. Morrison (a minute village just a short six miles away) was forgotten in the demise of it. Now a prominent boating and outing area; it is known just for that; not for what it embraced before it was blanketed with the cool waters of the dam.
