composes a historical medieval romance of dragon shifters, magical fae, and fantasy worlds in this paranormal trilogy. Fliss is a slave to the king. She has no freedom— until her dragons come looking for her. The first dragon makes a pact. Release him from his curse, and he will set her free. But he's not alone. He has two brothers, and all of

them want Fliss. Yet Fliss has ignited the wrath of the gods, and they seek revenge. Her quest guides her across medieval Poland, to lands of fae kings and siren queens. Fliss and her dragons battle monsters and giants, make deals with mermaids, and harness powerful magic in an attempt to stop a war that has left the world in shambles. The goddess of song will rise to battle the goddess of chaos. The victor will rule the realm, or bring about the end.

A Dance with Dragons (HBO Tie-in Edition): A Song of Ice and Fire: Book Five George R.

R. Martin 2015-03-31 #1 NEW YORK TIMES BESTSELLER •

THE BOOK BEHIND THE FIFTH SEASON OF THE ACCLAIMED HBO SERIES GAME OF THRONES Don't miss the thrilling sneak peek of George R. R. Martin's A Song of Ice and Fire: Book Six, The Winds of Winter Dubbed "the American Tolkien" by Time

magazine, George R. R. Martin has earned international acclaim for his monumental cycle of epic fantasy. Now the #1 New York Times bestselling author delivers the fifth book in his landmark series—as both familiar faces and surprising new forces vie for a foothold in a fragmented empire. **A DANCE WITH DRAGONS A SONG OF ICE AND FIRE: BOOK FIVE** In the aftermath of a colossal battle, the future of the Seven Kingdoms hangs in the balance—beset by newly emerging threats from every direction. In the east, Daenerys Targaryen, the last scion of House Targaryen, rules with her three dragons as queen of a city built on dust and death. But Daenerys has thousands of enemies, and many have set out to find her. As they gather, one young man embarks upon his own quest for the queen, with an entirely different goal in mind. Fleeing from Westeros with a price on his head, Tyrion Lannister, too, is making his way to Daenerys. But his newest allies in this quest are not the rag-tag band they

seem, and at their heart lies one who could undo Daenerys’s claim to Westeros forever. Meanwhile, to the north lies the mammoth Wall of ice and stone—a structure only as strong as those guarding it. There, Jon Snow, 998th Lord Commander of the Night’s Watch, will face his greatest challenge. For he has powerful foes not only within the Watch but also beyond, in the land of the creatures of ice. From all corners, bitter conflicts reignite, intimate betrayals are perpetrated, and a grand cast of outlaws and priests, soldiers and skinchangers, nobles and slaves, will face seemingly insurmountable obstacles. Some will fail, others will grow in the strength of darkness. But in a time of rising restlessness, the tides of destiny and politics will lead inevitably to the greatest dance of all. Praise for *A Dance with Dragons* “Filled with vividly rendered set pieces, unexpected turnings, assorted cliffhangers and moments of appalling cruelty, *A Dance with Dragons* is epic fantasy as it should be written:

passionate, compelling, convincingly detailed and thoroughly imagined.”—The Washington Post “Long live George Martin . . . a literary dervish, enthralled by complicated characters and vivid language, and bursting with the wild vision of the very best tale tellers.”—The New York Times “One of the best series in the history of fantasy.”—Los Angeles Times

 BESTSELLER • Perfect for fans of A Song of Ice and Fire and HBO’s Game of Thrones—an epic history of Westeros and the lands beyond, featuring hundreds of pages of all-new material from George R. R. Martin! If the past is prologue, then George R. R. Martin’s masterwork—the most inventive and entertaining fantasy saga of our time—warrants one hell of an introduction. At long last, it has arrived with *The World of Ice & Fire*. This lavishly illustrated volume is a comprehensive history of the Seven Kingdoms,

providing vividly constructed accounts of the epic battles, bitter rivalries, and daring rebellions that lead to the events of A Song of Ice and Fire and HBO’s Game of Thrones. In a collaboration that’s been years in the making, Martin has teamed with Elio M. García, Jr., and Linda Antonsson, the founders of the renowned fan site Westeros.org—perhaps the only people who know this world almost as well as its visionary creator. Collected here is all the accumulated knowledge, scholarly speculation, and inherited folk tales of maesters and septons, maegi and singers, including • full-color artwork and maps, with more than 170 original pieces • full family trees for Houses Stark, Lannister, and Targaryen • in-depth explorations of the history and culture of Westeros • 100% all-new material, more than half of which Martin wrote specifically for this book The definitive companion piece to George R. R. Martin’s dazzlingly conceived universe, *The World*

of Ice & Fire is indeed proof that the pen is mightier than a storm of swords.

GAME OF THRONES—THE  
MASTERPIECE THAT BECAME  
A CULTURAL PHENOMENON

Here is the first book in the landmark series that has redefined imaginative fiction and become a modern masterpiece. A GAME OF THRONES In a land where summers can last decades and winters a lifetime, trouble is brewing. The cold is returning, and in the frozen wastes to the North of Winterfell, sinister and supernatural forces are massing beyond the kingdom's protective Wall. At the center of the conflict lie the Starks of Winterfell, a family as harsh and unyielding as the land they were born to. Sweeping from a land of brutal cold to a distant summertime kingdom of epicurean plenty, here is a tale of lords and ladies, soldiers and sorcerers, assassins and bastards, who come together in a time of grim omens. Amid plots and counterplots, tragedy and betrayal, victory and terror, the fate of the Starks, their allies, and their enemies hangs perilously in the balance, as each endeavors to win that

deadliest of conflicts: the game of thrones. A GAME OF THRONES • A CLASH OF KINGS • A STORM OF SWORDS • A FEAST FOR CROWS • A DANCE WITH DRAGONS

**Fantasy and Myth in the Anthropocene** Marek Oziewicz 2022-02-24 The first study to look at the intersection of the discourse of the Anthropocene within the two highly influential storytelling modes of fantasy and myth, this book shows the need for stories that articulate visions of a biocentric, ecological civilization. Fantasy and myth have long been humanity's most advanced technologies for collective dreaming. Today they are helping us adopt a biocentric

lens, re-kin us with other forms of life, and assist us in the transition to an ecological civilization. Deliberately moving away from dystopian narratives toward anticipatory imaginations of sustainable futures, this volume blends chapters by top scholars in the fields of fantasy, myth, and Young Adult literature with personal reflections by award-winning authors and illustrators of books for young audiences, including Shaun Tan, Jane Yolen, Katherine Applegate and Joseph Bruchac. Chapters cover the works of major fantasy authors such as J. R. R. Tolkien, Terry Pratchett, J. K. Rowling, China Miéville, Barbara Henderson, Jeanette Winterson, John Crowley, Richard Powers, George R. R. Martin and Kim Stanley Robinson. They range through narratives set in the UK, USA, Nigeria, Ghana, Pacific Islands, New Zealand and Australia. Across the chapters, fantasy and myth are framed as spaces where visions of sustainable futures can be designed with most detail and nuance. Rather

than merely criticizing the ecocidal status quo, the book asks how mythic narratives and fantastic stories can mobilize resistance around ideas necessary for the emergence of an ecological civilization. Game Informer Magazine 2009
