## **The Miracle Worker - Literature Kit Gr. 7-8**

Nat Reed 2008-01-01 Experience the miracle of understanding that we all take for granted. An ideal play for students with a low reading level. Gain insight into the difficulties of being blind and/or deaf. Put events from the novel in order as they happened when Annie and Helen were eating dinner. Students attempt to understand the motivations of the characters in the play. Find the synonym of the vocabulary word from the text. Explain the event in Helen's past that made it possible for her to realize what 'water' was. Research the real-life location of Ivy Green and plan a field trip to this important location. Identify all the problems and their solutions in a chart. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: This story is an emotional and vivid portrayal of the relationship between a child and her teacher. Helen Keller is rendered deaf and blind at an early age, and by the time she is six years old, her behavior becomes completely unmanageable. In desperation, her parents send for teacher Annie Sullivan to bring some discipline into the spoiled child's life. Helen and Annie become locked in a ferocious battle of wills, but Annie is determined to bring a sense of discipline into Helen's life. Annie teaches Helen words by constantly spelling them into Helen's palm. Although Helen can spell them back, she doesn't understand that these words actually represent things. At the water pump Annie spells "water" into Helen's hand and suddenly the miracle happens—Helen understands.

## **Treasure Island - Literature Kit Gr. 7-8**

Brenda Rollins 2008-02-01 Sail the seas to quench your thirst for gold in this tale of piracy, adventure and betrayal. Help students better understand the novel with in-depth comprehension and vocabulary questions. Match the characters introduced in the novel to their descriptions. Draw the map that Jim finds in Billy's chest. Summarize what Jim heard in the apple barrel. Explain who the character of Ben Gunn is, and how he ended up on the island. Using multiple choice, identify the characters who said the provided quotes. Students write their own pirate ditty to be sung while sailing. Identify the character who has the biggest influence on Jim Hawkins, and describe their relationship and how it affects the outcome of the story. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: Treasure Island is one of the most perfect examples of an exciting classic adventure tale. Masterfully crafted, this stunning book of piracy on the tropic seas is an unforgettable tale of treachery between good and evil. Developed from an imaginary map that Stevenson and his stepson made while on vacation, Treasure Island is an all-time classic for those who love romance and adventure. Perhaps the reason for the book's allure to children is the famous hero-villain character of Long John Silver, with his unscrupulous buccaneer-rogues on their quest for gold.

## **The Westing Game - Literature Kit Gr. 7-8**

Eleanor Summers 2014-12-17 Unravel the secrets at the center of an intriguing murder mystery game. Activities are meant to excite students throughout the reading. Using the chapter titles as clues, predict what might happen in each one. Identify elements of foreshadowing from the novel, and imagine what will take place. Follow the clues in the story to solve the game before any of the characters. Identify cause and effect by explaining why each event happened. Keep track of the variety of

characters with comprehension questions. Students will write their own prologue and epilogue at the completion of the reading. Compare two different character's perspectives of the same event from the novel. Aligned to your State Standards and written to Bloom's Taxonomy, additional crossword, word search, comprehension quiz and answer key are also included. About the Novel: The Westing Game is a Newbery Medal winning story about a group of people playing the game of who killed the millionaire. Samuel W. Westing, owner of Westing Paper Products, has died. Sixteen heirs are invited to live in the Sunset Towers apartment building. These heirs come together to read the will of the late self-made millionaire. The will challenges them to solve the murder of Sam Westing by splitting up into eight pairs. Each pair is given a set of clues and \$10,000 dollars to play the game. The winner will inherit the \$200,000,000 fortune and unravel the secret behind the old man's death.

Katniss now must convince both President Snow and Panem that she is deeply in love with Peeta in order to prove her actions in the games were that of love and not of defiance. With the 75th anniversary of the Hunger Games looming, Katniss learns that her days in the arena are far from over.
