Guide to the Pianist's Repertoire Maurice Hinson 2024-06-06 Guide to the Pianist's Repertoire continues to be the go-to source for piano performers, teachers, and students. Newly updated and expanded with more than 250 new composers, this incomparable resource expertly guides readers to solo piano literature and provides answers to common questions: What did a given composer write? What interesting work have I never heard of? How difficult is it? What are its special musical features? How can I reach the publisher? New to the fourth edition are enhanced indexes identifying black composers, women composers, and compositions for piano with live or recorded electronics; a thorough listing of anthologies and collections organized by time period and nationality, now including collections from Africa and Slovakia; and expanded entries to account for new material, works, and resources that have become available since the third edition, including websites and electronic resources. The "newest Hinson" will be an indispensable guide for many years to come.

A Directory of Composers for Organ John Henderson 1999 A dictionary of composers of organ music with over 10,000 entries. The repertoire encompasses a period of more than 500 years and extends across the borders of dozens of countries. Each entry includes a succinct biography, birth and death dates, a comprehensive list of the composer's organ works with dates of publication, and occasionally bibliographical references to books and articles for further study.
