God Gave You the Special Needs Child for a Purpose Kalee Miles 2016-06-27 Although
Brave was a surprise four-week premature baby,
he weighed way more than many of the full-time
babies. Thankfully, he was in great shape and
was able to come home like a normal baby. He
was a happy boy hitting time lines until he hit
age one. At that point, the Pediatrician referred
Brave to a program where Kalee finally realized
how behind he was in many parts of the body.
From that time until he went to kindergarten,
she would soon learn so many different
procedures and different types of doctors,
specialists, therapists, tests, and diagnoses;
many times the hard way. Insurance wouldnt

help her, they would just put off paying for a
procedure. Helping get Brave the most
assistance and diagnosis was only the beginning.
Kalee would have some of the same procedures
to keep track of her own serious medical issues
and her other son, Timbers, diagnosis. Having
God lead her each day and provide her with
hope, love, and grace truly kept her going.
Without the Lord at her side, she may not have
seen that God selected her to have two special
needs kids. Its a blessing she doesnt deserve and
just prays that God shows her each day what she
needs to be doing for Him.

This 192-page book features 100 Bible stories and 80 situational games that add a jolt to any classroom or church setting.

Master Bible Quiz Barry L. Davis 2013-02-27 Get ready for a challenge! We have compiled 1,500 Questions and Answers on the Bible that

are going to show how much, or how little, you, or those you quiz, know about Scripture. Unfortunately, most will discover "how little" as these quizzes are certainly not designed to be easy. The good news is, that if you keep taking the quizzes over and over again, you will begin to acquire a great deal of knowledge concerning the Scripture. The purpose of these quizzes is not to make anyone feel stupid, but to challenge them to learn more! If you can master all 30 series (1,500 questions) you most likely will know more about the Bible than anyone else you will ever come across. These questions do not call for knowledge of genealogical tables, but of the main Bible characters. They do not call for the details of Jewish history, and not a single date is asked for in all the fifteen hundred questions; but they do insist upon knowledge of the Bible's most significant and interesting events, from cover to cover. The questions are not theological - perhaps some would find them easier if they were, for then they could air their

theories; but they call for an acquaintance with the most beautiful and uplifting sentences and passages in all the sixty-six books of the Bible, the inspired wisdom on which all theology is based - or ought to be. How to Use: Use these questions to test yourself, your Sunday School Class, your Youth Group, your Bible Study, your Teachers, your Family, etc... *There are 30 Series with 50 Questions each.* Each question is worth 2 points (multiply the number right x2 and you'll have your score) *You can use the quizzes in any order you want, but we suggest doing one series over and over until you have mastered most of the content. Once you know all 50 questions, move onto the next one.

Meals With Jesus Ed Drew 2021-01-01 These simple 10-minute family devotions in Luke's Gospel explore Jesus' character through nine meals that he shared with people. The format is the same as The Wonder of Easter with different questions for 3-4s, 5-7s, 7-12s, teens and even parents, so the whole family can enjoy looking at the Bible together. As you read these passages, your children will be transported to the dinner table alongside Jesus. They will see for themselves who Jesus really is and why they can trust him. Designed to be easy to lead with no preparation required, these devotions are an achievable joy, not an unrealistic burden. They can be used at any time of year, including during the run-up to Easter.
