

# Dictionary Of Art Artists

## **A Dictionary of Painters**

Matthew Pilkington 1810

The Oxford Dictionary of Art

Ian Chilvers 1988 Whether you are interested in Junk Art or Byzantine Art, the Ash Can School or the Antipodeans, Praxiteles and Phidias or Gilbert and George, The Oxford Dictionary of Art is the first place to turn for accurate information about artists, schools, periods, techniques, critical terms, major museums, art historians, philosophers, and much much more.

Compiled from three highly acclaimed Oxford Companions--The Oxford Companion to Art, to Twentieth Century Art , and to the Decorative Arts --and with hundreds of new entries added, this authoritative, one volume reference offers over three thousand entries on almost every aspect of Western art, as well as the most essential features of Asian art. Here you will find the answer

to almost any question pertaining to the world of art. In what museum is Parmigianino's Self Portrait in a Convex Mirror exhibited today? Who coined the term "happening"? What are color field painting, hard edge painting, and op art, who are the most representative artists of these schools, and what are their best works? How does camaieu differ from grisaille? What is the most richly endowed museum in the world? The Revised Edition features expanded coverage of twentieth-century art, with new entries on graffiti art, David Hockney, New Realism, the Pompidou Centre, and much more. There is also a new chronology of major works set in historical perspective, and a marvelous directory of museums and galleries around the world, including fax, e-mail, and website addresses. As a further aid, the Dictionary offers an extensive system of

cross references, guiding readers to a wealth of additional information on almost any topic of interest. Covering the entire history of art, this wide ranging and up-to-date guide is an indispensable reference for scholars, for students, and for art enthusiasts of every kind. It is also a browser's delight, filled with fascinating facts about the personalities who people the world of art.

**The Random House dictionary of art and artists** 1984

**The Illustrated Dictionary of Art and Artists** David Piper 1984 Contains 3,000 alphabetically arranged entries covering all schools and periods of Western art.

**The Yale Dictionary of Art and Artists** Erika Langmuir 2000 "The dictionary will be a valuable reference for travellers and gallery visitors as well as for students of Western art history and armchair art lovers."--BOOK JACKET.

The Oxford Dictionary of Art and Artists Ian Chilvers 2009

Covering Western art from the ancient Greeks to the present day, this best-selling and authoritative dictionary is more wide-ranging than any comparable reference work. It contains over 2,500 clear and concise entries on styles and movements, materials and techniques, and museums and galleries. It also includes biographical entries for artists, critics, collectors, dealers, and patrons, with places and full dates of birth and death (in many instances correcting misinformation that has found its way into other sources). For this new edition, entries have been thoroughly revised and updated, and more than fifty new entries have been added, for example Tracey Emin and Jack Vettriano. Browsers and readers with an interest in a particular area will benefit from the classified list of all the entries in the book - an invaluable innovation that makes it easy to see immediately which collectors, for example, or 18th-century French artists, or printmaking terms, are included in the

dictionary. Written in an engaging manner with many entries enlivened by quotations from artists and critics, this dictionary is a pleasure to browse, whilst its A-Z structure and classified list makes it perfect for quick reference. Previously entitled *The Concise Oxford Dictionary of Art and Artists*, this major new edition is essential for students and teachers of art, design, art theory, and art history, and it is ideal for artists, visitors to art exhibitions and galleries, and anyone with an interest in art. *The Grove Dictionary of Art* Jane Turner 2000 The Grove Dictionary of Art, the award-winning 34-volume set that was launched to critical acclaim in 1996, represents the knowledge of more than 6,800 of the world's leading scholars. It is now the preeminent reference resource for the visual arts. The new GroveART series makes this comprehensive and authoritative art scholarship accessible and affordable to all audiences for the first time. Complete with a multipage

color plate section as well as extensive black and white images throughout, each volume in the series will focus on one particularly popular area or period of art history. Broad enough to appeal to the general reader, but thorough enough for the art historian, each book will reflect the depth and excellence of coverage that brought such acclaim to *The Grove Dictionary of Art*. This unprecedented book draws together biographies of artists who worked in one of the most exciting and dramatic political eras in France, when Paris became the artistic capital of Europe. It features in-depth studies of such well-known Neo-classical artists as Jacques-Louis David and Jean-Auguste-Dominique Ingres, the artist most revered by his fellow countrymen. Also included are artists of the Romantic Movement, like Delacroix and Gericault, as well as the painters of the Barbizon School, whose pleinair landscapes anticipated those of the Impressionists.

**Dictionary of Women**

Downloaded from  
[atrium.finalsclub.org](http://atrium.finalsclub.org) on  
 2026-02-01 by guest

**Artists: Introductory surveys ; Artists, A-I** Delia Gaze 1997 Contains substantial entries on 600 fine artists born before 1945. The emphasis is historical, focusing on the Western tradition of painting and sculpture, and exploring the problems women encountered in trying to obtain adequate training and professional recognition. Introductory essays examine training opportunities, the changing conditions of work for women since the medieval period, the contribution of women to the applied arts, and training and professionalism in 19th and 20th century Europe, Russia, North America and Australasia. Entries include biographical information, a list of principle exhibitions, selected writings, a bibliography, a representative work, and a description of critical reception, professional and artistic development, individual works and philosophies, and the artist's influences, contemporaries and companions. The Oxford Dictionary of Art

Ian Chilvers 1997 Identifies movements, schools, groups, styles, and artists, defines terms, concepts, and critical theories, and explains basic art techniques.

Harrap's Illustrated Dictionary of Art & Artists Diana Davies 1990

A Dictionary of Art Titles

Adrian Room 2008-09-09 This dictionary of 3,000 works of art explains the meaning behind the titles. The titles, mostly of paintings and sculpture, but also of some less traditional media, are arranged alphabetically by original title or English title.

**A Dictionary of Modern and Contemporary Art** Ian

Chilvers 2009 This unique and authoritative reference work contains more than 2,000 clear and concise entries on all aspects of modern and contemporary art. Its impressive range of terms includes movements, styles, techniques, artists, critics, dealers, schools, and galleries.

There are biographical entries

*Downloaded from

for artists worldwide from the beginning of the 20th century through to the beginning of the 21st, from the Finnish architect Alvar Aalto to the French sculptor Jacques Zwobada. With international coverage, indications of public collections and publicly sited works, and in-depth entries for key topics (for example, Cubism and abstract art), this dictionary is a fascinating and thorough guide for anyone with an interest in modern and contemporary culture, amateur or professional. Formerly the Dictionary of 20th Century Art, the text has been completely revised and updated for this major new edition. 300 entries have been added and it now contains entries on photography in modern art. With emphasis on recent art and artists, for example Damien Hirst, it has an exceptionally strong coverage of art from the 1960s, which makes it particularly ideal for contemporary art enthusiasts. Further reading is provided at entry level to assist those wishing to know more about a

particular subject. In addition, this edition features recommended web links for many entries, which are accessed and kept up to date via the Dictionary of Modern Art companion website. The perfect companion for the desk, bedside table, or gallery visits, A Dictionary of Modern and Contemporary Art is an essential A-Z reference work for art students, artists, and art lovers.

**Random House Dictionary of Art and Artists** 1981

**The Prestel Dictionary of Art and Artists in the 20th Century** Frank Zöllner 2000

"This full-color, one-volume dictionary provides a guide through the maze of twentieth-century art. Including artists, movements, photographers, techniques, styles, and turn-of-the-century precursors, The Prestel Dictionary of Art and Artists in the 20th Century draws on the expertise of over sixty art historians to give a comprehensive description and interpretation of the last artistic century. Concise entries, all specially

commissioned for this book, and many illustrated with works in color, cover the questions raised by encounters with modern art. Cross-references provide links between artists, concepts, and techniques, and a selected bibliography gives the latest and best books for further reading."

--Rabat de la jaquette. *The Penguin Dictionary of Art and Artists* Peter Murray 1997 Charting the lives of over 1200 painters, as well as the wide range of periods, ideas, processes and movements, this reference book also contains information on the galleries that exhibit the relevant works.

**The Thames and Hudson Dictionary of Art and Artists (Expanded, Updated) (World of Art)** Herbert Read

1994-09-17 "Excellent, concise . . . highly recommended."

—Choice This extensively illustrated dictionary provides information on over 2,500 artists, paintings, sculptures, drawings, prints, schools and movements throughout the world, including entries on contemporary art and artists,

techniques, materials, terms, and writers who have influenced artists.

**The Oxford Dictionary of American Art & Artists** Ann

Lee Morgan 2018-10-04 This

new edition of The Oxford Dictionary of American Art and Artists has been fully revised and updated as well as

including dozens of new entries offering an insightful and informative view of America's artistic heritage. An

indispensable biographical and critical guide to American art from colonial times to

contemporary postmodernism, this valuable resource provides readers with a wealth of factual detail and perceptive analysis of America's leading artists.

This new edition has been updated to include a number of

entries on prevailing topics such as body art, light and space, Indian-American art,

scatter art, and transactional art, and features many new or greatly expanded biographical entries on artists such as Ida Applebroog, Guerilla Girls, Peter Hujar and Shirin Neshat.

Morgan offers readers a wealth

of authoritative information as well as well-informed analysis and criticism of artists and their work. Filled with fascinating historical background and penetrating insight, *The Oxford Dictionary of American Art and Artists* is an essential resource for art lovers everywhere.

*Dictionary of Artists' Models*

Jill Berk Jiminez 2013-10-15

The first reference work devoted to their lives and roles, this book provides information on some 200 artists' models from the Renaissance to the present day. Most entries are illustrated and consist of a brief biography, selected works in which the model appears (with location), a list of further reading. This will prove an invaluable reference work for art historians, librarians, museum and gallery curators, as well as students and researchers.

*Pronunciation Dictionary of Artists' Names* Debra Edelstein 1993

*The Oxford Dictionary of American Art and Artists* Ann Lee Morgan 2007 In this

dictionary of American art, 945 alphabetically arranged entries cover painters, sculptors, graphic artists, photographers, printmakers, and contemporary hybrid artists, along with important aspects of the cultural infrastructure.

ensure that the content landscape is ever-changing, introducing readers to new authors, genres, and perspectives. The unpredictable flow of literary treasures mirrors the burstiness that defines human expression.

An aesthetically pleasing and user-friendly interface serves as the canvas upon which Dictionary Of Art Artists paints its literary masterpiece. The website's design is a testament to the thoughtful curation of content, offering an experience that is both visually appealing and functionally intuitive. The bursts of color and images harmonize with the perplexity of literary choices, creating a seamless journey for every visitor.

The download process on Dictionary Of Art Artists is a symphony of efficiency. The user is greeted with a straightforward pathway to their chosen eBook. The burstiness in the download speed ensures that the literary

delight is almost instantaneous. This seamless process aligns with the human desire for swift and uncomplicated access to the treasures held within the digital library.

A key aspect that distinguishes atrium.finalsclub.org is its commitment to responsible eBook distribution. The platform adheres strictly to copyright laws, ensuring that every download Dictionary Of Art Artists is a legal and ethical endeavor. This commitment adds a layer of ethical perplexity, resonating with the conscientious reader who values the integrity of literary creation.

atrium.finalsclub.org doesn't just offer Dictionary Of Art Artists; it fosters a community of readers. The platform provides space for users to connect, share their literary explorations, and recommend hidden gems. This interactivity adds a burst of social connection to the reading experience, elevating it beyond a solitary pursuit.

In the grand tapestry of digital literature, atrium.finalsclub.org stands as a vibrant thread that weaves perplexity and burstiness into the reading journey. From the nuanced dance of genres to the swift strokes of the download process, every aspect resonates with the dynamic nature of human expression. Its not just a Dictionary Of Art Artists eBook download website; its a digital oasis where literature thrives, and readers embark on a journey filled with delightful surprises.

## Dictionary Of Art Artists

We take pride in curating an extensive library of Dictionary Of Art Artists PDF eBooks, carefully selected to cater to a broad audience. Whether youre a fan of classic literature, contemporary fiction, or specialized non-fiction, youll find something that captivates your imagination.

### User-Friendly Platform

Navigating our website is a breeze. Weve designed the

user interface with you in mind, ensuring that you can effortlessly discover Dictionary Of Art Artists and download Dictionary Of Art Artists eBooks. Our search and categorization features are intuitive, making it easy for you to find Dictionary Of Art Artists.

### Legal and Ethical Standards

atrium.finalsclub.org is committed to upholding legal and ethical standards in the world of digital literature. We prioritize the distribution of Dictionary Of Art Artists that are either in the public domain, licensed for free distribution, or provided by authors and publishers with the right to share their work. We actively discourage the distribution of copyrighted material without proper authorization.

Quality: Each eBook in our collection is carefully vetted to ensure a high standard of quality. We want your reading experience to be enjoyable and free of formatting issues.
