A lei da atração Michael J. Losier 2026-01-06 3,5 milhões de livros vendidos. Peça. Acredite. Receba. Nesta versão atualizada do livro que se tornou referência mundial no assunto, você vai encontrar dicas, ferramentas e exercícios para aprender os segredos da lei da atração e conquistar o que deseja. Quando você quer alguma coisa – seja um emprego melhor, um bom parceiro, uma viagem inesquecível ou estabilidade financeira –, apenas desejar não é o suficiente. É preciso manter um foco positivo e constante naquilo que você almeja. Isso acontece porque somos influenciados por uma poderosa força universal: a lei da atração. Segundo ela, nós atraímos tudo a que dedicamos atenção, energia e foco, seja positivo ou negativo. Quando nos concentramos no que queremos, o universo responde nos dando mais daquilo em que pensamos. Da mesma forma, se pensamos demais no que não queremos, acabamos atraindo exatamente o que não desejamos. Por isso, é preciso aprender a desejar de maneira intencional. Com as estratégias certas, usaremos esse poder para realizar nossos sonhos e evitar atrair o que não nos agrada. Neste livro, você vai aprender a influenciar os acontecimentos da sua vida, aumentar o impacto dos seus pensamentos e integrar a lei da atração a todos os aspectos do seu dia a dia.

Or you've bumped into someone on the street you've been thinking about? Perhaps you've met the perfect client or life partner, just by fate or being at the right place at the right time. All of these experiences are evidence of the LAW OF ATTRACTION in your life. Have you heard about people who find themselves in bad relationships over and over again, and who are always complaining that they keep attracting the same kind of relationship?

The LAW OF ATTRACTION is at work for them too. The LAW OF ATTRACTION may be defined as: "I attract to my life whatever I give my attention, energy and focus to, whether positive or negative." By reading this book you'll come to understand why and how this happens.

Pearson plumbs every facet of modern life, marriage, and motherhood, and her wry brand of wisdom is a refreshing and long-awaited release from our confusing and often contradictory world. Patricia Pearson is a frequent contributor to USA Today and the author of the novel *Playing House*. Her work has appeared in the *New York Times*, the *New York Observer*, the *Guardian*, and *Redbook*, among other publications, and she won the Arthur Ellis Award in 1997 for best nonfiction crime book, *When She Was Bad*. She recently moved from Toronto to the boreal forest outside

Montreal with her husband and two children. "Pearson's writing is side-splittingly funny...but amid the debris of the near-disasters perpetrated by her children, there's a tender mother hanging on to her identity at all costs." - Albany Times Union "Patricia Pearson holds little back as she admits to myriad foibles as a woman and a parent and a wife, and as she confesses her great puzzlement with so many accepted societal 'norms.' Not only did I giggle to myself throughout this book, but in spite of all her self-described flaws, I came out on the other end knowing one thing for certain: I want to be more like her." - Muffy Mead-Ferro, author of *Confessions of a Slacker Mom*
