The British National Bibliography Arthur James Wells 1974

Selected List of Books National Research Council of Canada. Division of Building Research. Library 1973

Materials and Structures Roy Whitlow 1973

Provides coverage of the principles of structural mechanics and strength of materials and discusses the underlying concepts requisite to the theory of structures and structure design.

The Post Office Electrical Engineers' Journal 1975

Economics for the Construction Industry R. C. Shutt 1982

Materials and Structures R. Whitlow 2014-06-03
The second edition of this highly informative book retains much original material covering the principles of structural mechanics and the strength of materials, together with the underlying concepts requisite to the theory of structure and structural design. Some of the material involving lengthy hand-drawing or hand-calculation has been replaced with more up-to-date relevant material and frequent reference is made to computer-aided learning techniques.
