A BRIEF HISTORY OF THE SIKHS

(MULTIDIMENSIONAL SIKH STRUGGLES)

Devinder Singh Mangat 2023-02-11 A Brief History of the Sikhs attempts to highlight that the inhabitants of Punjab have been free spirited, accommodating and companionate towards the peaceful settlers. But they were not accommodating towards the invaders from the north west. They accepted the new ideas like Sufism and the Bhakti movements with open arms. Out of the synthesis of the two, Sikhism was born. The Sikhs carried on their free spirited approach towards the Punjabi nationalism and onwards to uncompromising nationalist approach for the independence of India from the British slavery in 1947. Unlike other communities, the Punjabis fought against a common enemy not among themselves. The Punjabis have been hard working, honest, peace loving and pushing, irrespective of their ethnicity. The Muslims, Hindus and the Sikhs stood for the Punjabi. That is what the, A Brief History of the Sikhs stands for.
