

Sabita Vabi Full Story

Indian Essentials 2010

Celebrating 60 years of the Indian Republic, we bring you Indian Essentials, a light-hearted, tongue-in-cheek ode to India. In this quirky collection, twenty writers and social commentators ponder the mysteries of the Indian psyche and try to make sense of one trait, phenomenon or cultural value that is quintessentially Indian. From the Indian male's penchant for public urination to the Indian female's obsession with gold, from the jhatkas of Bollywood to the melas of Allahabad, from our embarrassingly frank matrimonials to how seriously we take our copulation problems, nothing is spared scrutiny. And because we Indians like a little something extra over and above what we are promised, we are giving away a complimentary copy of Extra! a little book that tackles all those peculiar Indian

qualities that we didn't want to leave out of the Indian Essentials. Dip into this collection and join us to find out what it means to be Made in India.

South Asian Pornographies

Darshana Sreedhar Mini

2024-06-21 South Asian

Pornographies is the first

consolidated volume that

explores the relationships

between pornography,

obscenity, law and desire in

South Asia. Focusing on case

studies from India, Sri Lanka

and Bangladesh while

gesturing towards other

countries in South Asia, the

authors of this volume come

from fields as varied as history,

literature, media and

communication, and the visual

arts. The book proposes that as

a geo-political location, South

Asia has a unique relationship

to pornography, given the

multiplicity of cultural and

legal-censorial regimes that

define the obscene and the

permissible. South Asian case studies can demonstrate how pornography in the region is often defined in oblique terms, finding reflection in various modes of popular (and sometimes underground) culture, bypassing legal and censorial constraints. Like questions of identity that can only be answered in the plural (identities rather than identity), this book demonstrates how a range of pornographies constitutes the force field of sexualized media in South Asia. It will be of interest to researchers and advanced students of Communication Studies, Cultural Studies, Film Studies, History, Sociology, and Social and Cultural Anthropology. The chapters in this book were originally published in the journal *Porn Studies*.

Livres de France 2010

Includes, 1982-1995: *Les Livres du mois*, also published separately.

Love, Sex and India: The Agents of Ishq Anthology

Paromita Vohra A POWERFUL COLLECTION OF REAL

STORIES BY INDIANS WHO ARE DISCUSSING THEIR EXPERIENCES WITH SEX AND BEING HONEST ABOUT THEIR DESIRES, THEIR NEEDS, THEIR KINKS, THEIR EXPECTATIONS. What happens when India talks about sex? Born in 2015 out a dream of creating a homegrown, sex-positive conversation, *Agents of Ishq* exploded into an unexpected phenomenon: a delicious falooda of desi slang, swagger and sensuality. The project had people from across the country spontaneously and unexpectedly sharing their most intimate stories that defied taboos and shimmered with humour and heart. Neither research nor reportage, *Agents of Ishq* quickly became a living archive of emotion; a collective diary written by Indians speaking their desires aloud. *Love, Sex and India: The Agents of Ishq Anthology* brings together some of these evocative stories that evade all binaries-cheeky reports of first dates, situationships, hook-ups; tales

of longing, of heartbreak, of tender friendships; grim accounts of sexual exploitation and assault; frank advice on masturbation; solemn revelations about queerness; thrilling confessions on kink, and so much more. Each story opens a window into the many worlds we live in, inviting us to celebrate the messy magical business of love and lust-made in India.

Livres hebdo 2010

The Love Game Sudhanshu

Sarode 2015-03-12

Anshuman simple and sweet engineering student want love in his life. The love game starts when Tanisha, medical student comes into his life. Everything was perfect for them.
