

Sign Language 1 100

A sign is a clue something happened, or a display that communicates a message, like a stop sign that tells you stop. To sign also means to write your signature. A sign is an object, quality, event, or entity whose presence or occurrence indicates the probable presence or occurrence of something else. [1] A natural sign bears a causal relation to its ... The meaning of SIGN is a motion or gesture by which a thought is expressed or a command or wish made known. A sign is a mark or shape that always has a particular meaning, for example, in mathematics or music. Equations are generally written with an equal sign. Use our signature generator to sign any kind of document such as contracts, forms, proposals, Word documents, PDFs and more. It's easier than ever to add a signature to
