Jun 16, 2025 · Explore population counts for detailed race and ethnicity groups and American Indian and Alaska Native tribes and villages for the nation, states, and counties. The concept of ethnicity contrasts with that of race in that it is concerned with group cultural identity or expression whereas race focuses on physical and genetic traits. Race is a socially defined concept sometimes used to designate a portion, or subdivision, of the human population with common physical characteristics, ancestry, or language. Since the second half of the 20th century, race has been associated with discredited theories of scientific racism and has become increasingly seen as an essentially pseudoscientific system of ... Let's start first with race, which refers to a category of

people who share certain inherited physical characteristics, such as skin color, facial features, and stature. 6 days ago · NPR stories on race and ethnicity and race's effects on politics, culture, society. Apr 25, 2026 · Race - Ethnicity, Discrimination, Inequality: Racial classifications appeared in North America, and in many other parts of the world, as a form of social division predicated on what were ... *Harvard University has accepted the new Race/Ethnicity classifications mandated by the U.S. Department of Education, per its "Final Guidance on Maintaining, Collecting, and Reporting Racial ... Race is a small but powerful word. Looking through the eyes of history, science, and lived experience, the RACE Project presents the reality - and unreality - of race. 1 day ago ·

Race is a social construct used to group people. Race was constructed as a hierarchal human-grouping system, generating racial classifications to identify, distinguish and marginalize ...
