Without You Yarah Noor 2023-08-11 "Without You" is a deeply personal collection of the author's late-night thoughts and musings. Written in the form of poems and sometimes regular paragraphs, it captures the emotions and experiences of a growing lady who is struggling to make sense of her world. The title, "Without You," references the author's first-ever English poem, written at the age of sixteen. It reflects how she felt about the world without the people who had once been important to her. In this collection of raw sentiments, the author takes us on a journey of self discovery. Through her words, we experience the highs and lows of life, the joys and sorrows that make up the human experience. "Without You" serves as a poetic ode to self-reflection, resilience, courage, and strength. It reminds all of us that no matter what life throws our way, we can always keep moving forward. It is a testament to the power of the written word and a celebration of our own unique stories. ****WARNING**** (Age Restriction 13+) This book contains sensitive and triggering content, including but not limited to mental health, suicidal thoughts and self harm. Moreover, it is strongly intended for audience aged 13 and above. Please approach the book with caution. Reader discretion is advised.
