*Questions and Answers for the Diploma in Occupational Medicine, revised edition* Clare Fernandes

2021-08-21 This book is designed to help candidates prepare for the MCQ part of the Diploma in

Occupational Medicine exam. The first 150 questions, along with their answers and explanations, are

designed to help readers check their understanding. This section of the book is broken down into the core

subject areas on which you will be tested: Ethics and the law Effects of work on health Principles of

occupational health Clinical occupational health Health and safety at work The book also contains a

complete mock practice exam of 60 questions, together with answers and commentary. These questions

follow the style of those in the exam and will help fully prepare candidates, by allowing them to develop an

understanding of how the exam questions work. Written by a GP Registrar (and winner of the Faculty of

Occupational Medicine's Mobbs Fellowship) who recently passed the exam, and checked for accuracy by a

Consultant in Occupational Medicine, this book is the ideal revision and practice guide for exam candidates.

From reviews: "As a recent DOccMed candidate, I consider this book to be a useful reference for those

preparing for the written part of the diploma examination... it would be an excellent investment for anyone

preparing for the exam." Occupational Medicine, April 2018
