**Black Jokes About White Folks** Mad Comedy 2020-07-09 Even during the dark days of slavery, our courageous Black ancestors used comedy to lift their spirits, often making fun of the white people subjugating them. Even today, brave Black men and women risking their lives in the streets fighting white supremacy need a little humor to lift their spirits. This book is for you! MAD COMEDY has collected hundreds of hilarious jokes by top Black comics about the antics of our favorite clowns: white people! Only white people think bike riding is a sport. I know a crackhead who could win the Tour de France on a stolen Barbie bike. What do you call a black man selling drugs? A pharmacist, you racist. How many white people does it take to replace a light bulb? One to hold the bulb, and the rest to screw the whole world. Batman is the story of a rich white dude who beats people up and the cops just let him do it. Think about it: Batman's superpower is white privilege. A portion of the proceeds of this book will be donated to benefit Black causes.

**The Palgrave Handbook of Humour Research** Elisabeth Vanderheiden 2024-05-31 This handbook is the updated and expanded second edition of a highly cited and impactful collection, which provides new perspectives on humour from transdisciplinary perspectives. The collection's focus is on humour as a resource from different socio-cultural and psychological viewpoints, bringing together authors from different cultures, social contexts and countries. The handbook enables researchers and practitioners to unlock research findings which give new directions for contemporary and future humour research. By employing transdisciplinary and transcultural perspectives, the volume further discusses humour in regard to different cultural and political contexts, humour over the lifespan, in therapy and counselling, in pedagogical

settings, in medicine and the workspace. The contributions also highlight the connections between humour and the COVID-19 pandemic and promise new inspiring insights. This second edition includes a new introduction from the editors, updates to the majority of the chapters, and five new chapters which take a humour-research approach to contemporary issues such as the Russian-Ukrainian crisis, the consequences of the pandemic, and tackles developments related to artificial intelligence and gamification. With an expanded scope, this handbook will continue to appeal to researchers, practitioners and students in the fields of industrial and organisational psychology, positive psychology, organisational studies, future studies, health and occupational science and therapy, who will find each chapter highly topical, insightful and applicable to practice.

**Too Soon?** The Tasteless Joke Guru 2025-07-01 Too Soon? The Tasteless Joke Book Nobody Asked For Dare to laugh where others won't? Too Soon? The Tasteless Joke Book Nobody Asked For dives headfirst into the shadows with a brutally honest, unapologetic collection of jokes that tackle everything from death, disability, and religion to taboo topics most won't touch. This isn't your average comedy book — it's a wild, no-holds-barred ride for those who find humor in the darkest corners of life. Inside, you'll find: Shockingly funny anti-jokes that punch you harder than your worst day Morbid one-liners that twist reality into uncomfortable laughs Religious, disability, and dead baby jokes that push boundaries and test your limits Bonus "Too Far?" sections for when you think it can't get any darker (but it does) Perfect for fans of dark comedy, edgy satire, and anyone who laughs at the absurdity of existence. Too Soon? The Tasteless Joke Book Nobody Asked For is your go-to book when you want to confront uncomfortable truths with a smirk, a grimace, and maybe a little guilt. Warning: Not for the faint-hearted or easily offended. Read at your own risk — laughter may cause awkward stares, guilt trips, and existential dread.
