United States: A Concise

Introduction presents readers

with the key debates and ideas

central to contemporary US

feminism. With a focus on

intersectionality, the book

highlights the goals, tactics,

and varieties of feminism. This

engaging, clear, and accessible

text includes current examples,

case studies, profiles of key

figures in the movement, and

opportunities/resources to

gather more information. The

reader will learn how to

employ a feminist lens as an

informed conversationalist,

social media user, news

consumer, and if so desired,

activist. Readers will learn

about the varieties of

contemporary US feminism and

how different strands of feminism emerge; the heterogeneity of the movement as it endures over generations in both hospitable and inhospitable climates; and the inequalities addressed and tactics used by feminists to create lasting social change. Feminism in the United States is ideal for undergraduate students, particularly those enrolled in introductory classes in feminist, gender, and sexuality studies and related programs, as well as for the anyone seeking to explore feminism for the first time.

#GIRLBOSS Sophia Amoruso
2014-05-06 In the New York Times bestseller that the Washington Post called "Lean

In for misfits," Sophia Amoruso shares how she went from dumpster diving to founding one of the fastest-growing retailers in the world. Amoruso spent her teens hitchhiking, committing petty theft, and scrounging in dumpsters for leftover bagels. By age twenty-two she had dropped out of school, and was broke, directionless, and checking IDs in the lobby of an art school—a job she'd taken for the health insurance. It was in that lobby that Sophia decided to start selling vintage clothes on eBay. Flash forward to today, and she's the founder of Nasty Gal and the founder and CEO of Girlboss. Sophia was never a typical CEO, or a typical anything, and she's written #GIRLBOSS for other girls like her: outsiders (and insiders) seeking a unique path to success, even when that path is windy as all hell and lined with naysayers. #GIRLBOSS proves that being successful isn't about where you went to college or how popular you were in high school. It's about trusting your instincts and

following your gut; knowing which rules to follow and which to break; when to button up and when to let your freak flag fly. “A witty and cleverly told account . . . It’s this kind of honest advice, plus the humorous ups and downs of her rise in online retail, that make the book so appealing.”

—Los Angeles Times “Amoruso teaches the innovative and entrepreneurial among us to play to our strengths, learn from our mistakes, and know when to break a few of the traditional rules.” —Vanity Fair “#GIRLBOSS is more than a book . . . #GIRLBOSS is a movement.” —Lena Dunham

The Girlboss Workbook Sophia Amoruso 2017-10-24 Sophia Amoruso, the bestselling author of #GIRLBOSS, shares her favorite tips, checklists, and fill-in-the-blanks that will help you become your best Girlboss yet. Filled with whimsical illustrations, exercises, and plenty of

scribble room, The Girlboss Workbook is designed for both the dreamer and the doer. It invites you—hell, implores you—to get in there and mess it up a little. Write in the blank spaces and in between them.

#GIRLBOSS started as Sophia's story, but The Girlboss Workbook is your story. Use it as a diary, a mood board, a stress ball. Use it in class or at work for daydreaming and doodling. Use it to figure out what makes your freak flag fly -- and then go for it. Whatever you do, take this book, and your path, into your own hands. No need to handle it with care and no need to live a typical, cookie-cutter life. Sophia’s has been anything but.
