In literature, a scenario can mean a summing up of what's going on — what the situation is. A scenario is pretty similar to a situation, but a scenario hasn't happened yet and might not happen at all. This season the pressure is still there, but of a different kind as it is merely a case of handling the title scenario, and not coping with everything else also going on in the background. scenario meaning, definition, what is scenario: a situation that could possibly happen: Learn more. scenario definition: imagined sequence of possible events.
