How to Succeed in Commercial Real Estate John L. Bowman 2005

How to Succeed in Commercial Real Estate is a comprehensive, practical book for those considering entering the field of commercial real estate, those just beginning in the business, as well as experienced brokers and sales managers who want to evaluate and strengthen their current strategies ? especially those related to listings, negotiations, contracts, and sales. The author provides a straightforward overview of the business of selling commercial property, including coverage of the four main specialty areas ? retail, office, industrial, and investment ? as well as crossovers and emerging specialties. Rather than pumping a ?get rich quick? approach to selling, the author shows brokers that they don?t have to sacrifice integrity and ethics to remain competitive and deal oriented.

Commercial Real Estate Analysis & Investments David Geltner 2007-01-01 The well-known and respected authorship team of Geltner and Miller bring you a new edition of what has become the undisputed and authoritative resource on commercial real estate analysis and investment. Streamlined and completely updated with expanded coverage of corporate and international real estate investment, this upper-level real estate text presents the essential concepts, principles and tools for the analysis of commercial real estate (income producing) from an investment perspective. Once again, COMMERCIAL REAL ESTATE ANALYSIS AND INVESTMENTS, 2e, bridges the gap between mainstream finance and the current cutting edge of professional real estate practice, in order to address the implications of their key differences. This new edition continues to integrate relevant aspects of urban and financial economics to provide users with a fundamental analytical understanding and application of real estate investments - now using a student version of ARGUS® software on CD-ROM included with the book. ARGUS software is a Windows-based program used extensively throughout the real estate investment industry to solve complex investment and valuation problems. Also included free on CD is a student version of Crystal Ball®, professional-grade software used to perform risk analysis on commercial investments. Contributing author Piet Eichholtz from the University of Maastricht contributes an entire chapter that explores international real estate investments, both opportunistically and structurally, by outlining elements for developing and implementing real estate investments successfully abroad. Jim Clayton from the University of Cincinnati thoroughly revised and updated the finance coverage and end-of-chapters questions throughout. In this edition Geltner and Miller enhance their unmatched pedagogy by adding in a discussion of the real options application to real estate development and streamlining the discussion of data returns.

Commercial Real Estate Investment Andrew Baum 2009-10-26 * Author of high repute, both in academia and business * Clearly written, accessible and completely revised for investors, managers, advisors and students * Highly topical in today's challenging market conditions This book uniquely combines academic literature and practical experience to provide a straightforward and integrated view on global real estate investment for pension funds, other institutions and professionals, particularly in the UK. The book is divided into three sections. Part One describes the market, the industry and the investment vehicles available, as well as a performance history of UK real estate as an asset class. Part Two discusses the property investment process and the tools required to develop excellence in executing that process. Part Three provides material for debate about the likely changes over the short and medium term. Designed for practitioners facing the tough global market challenges, this book provides a fascinating read for fund managers, investors, banking staff, property advisors and students.

Investing in Income Properties Kenneth D. Rosen 2011-01-11 Praise for INVESTING IN INCOME PROPERTIES "Investing in Income Properties is a cogent and well organized presentation of the principles of real estate

analysis, financing, and investment. With his 'Big Six Formula,' Ken Rosen shares his knowledge and experiences on how to analyze and take advantage of commercial real estate investment opportunities. This book should be required reading in all real estate investment courses." --John S. Zdanowicz, PhD, Professor, Finance and Real Estate, and Director of the Jerome Bain Real Estate Institute, Florida International University "Ken Rosen has a unique ability to make the most complicated seem clear and easy to follow. In Investing in Income Properties, he gives practical steps so that the reader can take action and begin or continue to build wealth by investing in income properties. This book will become the buyer's bible." --Alex Zylberglait, Associate Director, National Office and Industrial Properties Group, Marcus & Millichap Real Estate Investment Services "Investing in Income Properties is a step-by-step approach to investing in commercial real estate. It is clear, easy reading with every base covered. This book is a great tool for both the new and seasoned investor." --Donna Abood, Chief Executive Officer, Colliers Abood Wood-Fay, Commercial Real Estate "Ken Rosen's style is straightforward and his formula for building wealth is well grounded in the fundamentals--nothing fancy or tricky about it! He even puts the would-be investor at ease by addressing the fear factors of real estate investing. Twenty-one years into my career as a real estate investment sales broker, I have met many successful investors, but Ken Rosen clearly stands out as a savvy, self-made entrepreneurial investor who is generously sharing his wealth of knowledge and insight in this very instructive and easy-to-read book." --David L. Meline, Executive Director, Capital Markets Group, Investment Sales Specialist, Cushman & Wakefield of Georgia Inc. "One of the best, precise, and accurate real estate books on the market. A must-read for investors at any stage." --Scott K. Sime, Managing Director, CB Richard Ellis Brokerage, Miami-Dade County
