*Forklift Safety* George Swartz 1999-06-01 Written for the more than 1.5 million powered industrial truck operators and supervisors in general industry, as well as those in the construction and marine industries, this Second Edition provides an updated guide to training operators in safety and complying with OSHA's 1999 forklift standard. This edition of Forklift Safety includes a new chapter devoted to the new OSHA 1910.178 standard and new information regarding dock safety, narrow aisle trucks, off-dock incidents, tip-over safety, pallet safety, and carbon monoxide.

**Navigating ISO 45001** Stephen Asbury 2024-09-27 There has been a 2,500-year evolution in structured means of control and management systems. Occupational health and safety management systems are an essential tool for initiating and driving cultural change, and for establishing a framework for continual improvement in safety performance. Navigating ISO 45001 charts this evolution up to the launch of the world's first occupational health and safety management system (OH&S-MS) standard ISO 45001:2018, and then forecasts its future for the next ten years. This book delivers approaches and techniques that include the Navigating 45001: Three-Step Model, sixteen OH&S-MS implementation Toolkits, and 24 case studies presented as practical examples to facilitate your organization's success in this critical business area.

Acting as the essential companion to Health and Safety, Environment, and Quality Audits: A Risk-based Approach (Asbury, 2023) which is now in its fourth edition and has sold thousands of copies, this new book presents OH&S-MS from the organization's side. Written with the safety manager in mind, it will become the "go-to" title for those who aspire to drive a prosperous and thriving organization based on world-class OH&S management and performance. Navigating ISO 45001 is an essential reading for senior managers and safety managers in any safety-critical role or profession. Downloadable and copyright-free documents, videos, and useful URL links are provided on the book's companion website.

*Here's the Deal* Kellyanne Conway 2022-05-24 INSTANT #1 NEW YORK TIMES BESTSELLER "Part personal chronicle and part political journey...a candid assessment of some of her colleagues in the White House and the media." —The Washington Post Among the Trump era's savviest insiders, one name stands especially tall: Kellyanne. As a highly respected pollster for corporate and Republican clients and a frequent television talk show guest, Kellyanne Conway had already established herself as one of the brightest lights on the national political scene when Donald Trump asked her to run his presidential campaign. She agreed,

delivering him to the White House, becoming the first woman in American history to manage a winning presidential campaign, and changing the American landscape forever. Who she is, how she did it, and who tried to stop her is a fascinating story of personal triumph and political intrigue that has never been told...until now. In *Here's The Deal*, Kellyanne takes you on a journey all the way to the White House and beyond with her trademark sharp wit, raw honesty, and level eye. It's all here: what it's like to be dissected on national television. How to outsmart the media mob. How to outclass the crazy critics. How to survive and succeed male-dominated industries. What happens when the perils of social media really hit home. And what happens when the divisions across the country start playing out in one's own family. In this open and vulnerable account, Kellyanne turns the camera on herself. What she has to share—about our politics, about the media, about her time in the White House, and about her personal journey—is an astonishing glimpse of visibility and vulnerability, of professional and personal highs and lows, and ultimately, of triumph.
