Modern European History John R. Barber 2006-06-27 Master Your Coursework with Collins College Outlines The Collins College Outline for Modern European History begins with the emergence of Modern Europe in 1450, continues through the Enlightenment, the Industrial Revolution, the Age of European Revolution, the era of the Nation State, both World Wars, the post-World War II Superpower Spheres, and concludes with Europe's current trend toward an ultramodern existence. Completely revised and updated by Dr. John Barber, Modern European History includes a test yourself section with answers and complete explanations at the end of each chapter. Also included are bibliographies for further reading, as well as numerous maps, timelines, and illustrations. The Collins College Outlines are a completely revised, in-depth series of study guides for all areas of study, including the Humanities, Social Sciences, Mathematics, Science, Language, History, and Business. Featuring the most up-to-date information, each book is written by a seasoned professor in the field and focuses on a simplified and general overview of the subject for college students and, where appropriate, Advanced Placement students. Each Collins College Outline is fully

integrated with the major curriculum for its subject and is a perfect supplement for any standard textbook.
