Messenger helps you connect with your Facebook friends and family, build your community, and deepen your interests. Me is used in many places where strict grammarians require I. In truth, this has less to do with grammar and more to do with social media. A speaker or writer uses me to refer to himself or herself. Me is a first person singular pronoun. Me is used as the subject form and me is the object form: ... ME definition: the objective case of I, used as a direct or indirect object. See examples of me used in a sentence.
