

Mystery Questions And Answers

Definition of mystery noun in Oxford Advanced Learner's Dictionary. Meaning, pronunciation, picture, example sentences, grammar, usage notes, synonyms and more. If you talk about the mystery of someone or something, you are talking about how difficult they are to understand or know about, especially when this gives them a rather strange or magical quality. At its core, mystery is a literary technique that uses unanswered questions and concealed information to create suspense, intrigue, and a desire for resolution in the reader. It isn't confined to detective ... mystery, problem, enigma, riddle, puzzle mean something which baffles or perplexes. mystery applies to what cannot be fully understood by reason or less strictly to whatever resists or defies explanation. mystery noun Anything that arouses

curiosity or perplexes because it is unexplained, inexplicable, or secret: Where they went is a mystery. [=no one knows where they went] The girl's name remains a mystery. Mystery novels are often called "whodunnits" because they turn the reader into a detective trying to figure out the who, what, when, and how of a particular crime. MYSTERY definition: 1. something strange or not known that has not yet been explained or understood: 2. a book, film.... Learn more. MYSTERY meaning: 1. something strange or not known that has not yet been explained or understood: 2. a book, film.... Learn more.
