## **The Love of My Bully** Sam Crescent

2020-08-03 Prudence and Drake hate each other from the moment they meet. She only knows cruelty at his hands. For years, it fuels her, but rather than shy away, she stands up and fights. Drake can't stand the new girl in his town, and the one who doesn't care about his wealth. No one can touch him. He owns the town and he will own Prudence, too. Their hatred for one another stokes a passion neither can deny. The fire burns so bright. He hates her, and she despises him, but there's no stopping their need. She should walk away, but the moment his lips touch hers, she's trapped. However, they're from different worlds and there's no way they can come together. Never to love, never to fight, never to be as one. But Drake's not the kind of man to lose the woman he loves. He didn't want to love Pru, but he does, and now there's no stopping it. He'll fight for her and their future, even if it means losing everything he once treasured. Owning Pru's heart is all that matters.

**Bullied Mate** Sam Crescent 2022 Life is so unfair. The first time Poppy transitions, she finds out her mate is none other than Klaus freaking Demon, the alpha's son. The guy who's been secretly bullying her for years. If he thinks she's going to fall for him, he's wrong. Klaus apologizes, so what more does she want? They're mates, and there's no way she can deny this connection. She wants nothing to do with him, but she belongs to him, and he can't allow her to leave. When a visiting pack full of unmated males comes to town, Klaus knows he's screwed. While he still tries to make Poppy see sense, the visiting alpha's son takes a shine to her. Klaus can't stand to see Poppy with another, and it's time he steps up--even if his dad will find out about the bullying. Will Poppy give him a chance or push him away? Klaus isn't sure how he could handle the rejection. Can he allow her to be happy with another, or will he admit to what he's done and stake his claim on his mate?
