

The Path Rick Joyner

A New Apostolic Reformation? R. Douglass Geivett 2018-07-25 This critique provides a framework for understanding and interpreting the widespread but little-known New Apostolic Reformation movement. As the authors state in the preface: "We write this book with two major goals in mind. First, to give people an idea of the sheer size and reach of the NAR movement. And second, to systematize its key teachings and practices and evaluate them on the basis of Scripture and careful reasoning. . In our judgment, the NAR perspective crosses these boundaries [that is, certain broad parameters, revealed in Scripture and practiced in the historical orthodox church], and it does so in part because of flawed theology rooted in a flawed understanding of Scripture.

Mobilizing the Army of God Rick Joyner 1996 In these pages you will discover how to avoid shipwreck, how to build on a sure foundation, and how to share the glory of eternal life.

The Flourish Series Liza Kobayashi 2016-07-08 This book is a classic for this hour. It is actually divided into two smaller books to facilitate study & learning. The author shares foundational principles of finding Jesus and becoming part of His kingdom. She outlines the significance of knowing Him and being in relationship with Him. This book is also interactive. It challenges a reader to look deep within the depths of one's heart and to allow the Holy Spirit, who is the source of power for the believer to Flourish, to release inner healing, freedom, and revelation of his/her true identity. This book is timeless and will help all believers to grow in their faith. It is a useful teaching tool for small groups, a ready source for new believers and a call for all of us to be more effective as God's warriors in the days ahead. This book is a must have for your library. Carolyn Suty, Regional Director, Aglow International

I saw how this victory will be accomplished. This is what I saw." —Rick Joyner

The Final Quest Trilogy Rick Joyner 2016-12-01 What if a single revelation could change your destiny in a moment? In this riveting bestselling series, author Rick Joyner takes you on the supernatural journey that has captivated millions. More real than an allegory, The Final Quest Trilogy is a panoramic vision of the epic struggle between light and darkness, and your part in it. As the series unfolds, you can join in the great battle, encounter angels and demons, apostles and prophets, and the heavenly realm itself. This trilogy is about the greatest adventure, to serve the greatest King, and to stand for His truth with courage—a tale not for the timid, but for the bold.

A Prophetic Vision for the 21st Century Rick Joyner 1999-08-23 Rick Joyner says, "We have tended to over-focus on the end of the age—the end times. But this is not just the end, it's the beginning of a new age when Christ will rule over the earth! For the church to reclaim the high ground of hope for the future, we must begin to proclaim the beginning, the coming of the kingdom." In A Prophetic Vision for the 21st Century, Joyner discusses why revival tarries for America, what it means to be delivered from the Mark of the Beast, the rise and fall of America, the greatest awakening, a famine in the land, and practical ways to serve in the latter days. It includes encouragement for weary church leaders as well as the second part of The Hordes of Hell are Marching, illustrating the unified church rising as an army in the most pivotal battle of all time between the light and darkness.

The Narrow Path to Expansive Vision RD Oostra 2022-12-08 "You can buy The Narrow Path to Expansive Vision online at any major online bookstore, or through the Westbow website." We live in a country deeply divided politically and culturally, and the chasm widens and deepens with each passing day. As a society, it seems like there is an increasing tendency to follow the wrong things and the wrong people. So where do we turn to find a leadership example in an "all about me" world? How do you live and lead a narrow-path (yet not narrow-minded) life in a wide-path world and society? You turn to the greatest leadership example in history: Jesus Christ. This may seem like an obvious answer, but it is not. In conducting original research for the book The Narrow Path to Expansive Vision, RD (Randy) Oostra completed a national online survey of business leaders, including those who identified as Christian leaders. One question on the survey asked those who identified as Christian leaders to name their top three leaders of all time. Only 13 percent mentioned Christ as one of their top three leaders. In addition, only 43 percent of these Christian leaders considered themselves to be servant leaders. As The Narrow Path to Expansive Vision unfolds, it weaves a narrative of Randy's personal journey growing up in a rigorous Dutch Reformation background to his life as a CEO of a national health and well-being organization. Randy tells his story of how he has lived in and navigated through the science-based world of health care, as well as his frustrations with a Church leadership that frankly has not always been helpful in meeting the challenges he faced as a business leader, and in life in general. Based on these experiences, Randy offers a foundational approach to leadership inspired by the example of Christ. It is a hopeful message that both believers and non-believers will find meaningful and

useful.

The Vision Rick Joyner 2017-08-29 Rick Joyner brilliantly relays a panoramic vision of the ultimate battle between the forces of good and evil, taking place just beyond the veil of this world. Guided by Wisdom, Joyner embarks on a journey from the battlefield where the hordes of Hell wreak havoc, to the Mountain of the Lord and eventually through the ranks of Heaven itself. In the mid-1990s, Rick Joyner received a prophetic vision of the ultimate clash between the forces of good and evil. Guided by Wisdom, Joyner embarks on an incredible journey from a grim battlefield, where the hordes of hell wreak havoc, to the mountain of the Lord where he fights alongside fellow soldiers, eventually making his way through the ranks of heaven. The result of this brilliant, panoramic vision is the bestselling book *The Final Quest*. When first published it quickly topped the bestseller charts, selling more than one million copies and becoming an instant classic. His follow-up book, *The Call*, continues the larger-than-life saga, challenging readers to live out the truth they discover along the way. Packed with spiritual insights, *The Vision* now brings both classics together in a single book. Joyner's experience offers both encouragement and a warning to the faithful followers of Jesus. We must remain sober about our enemy and do everything we can to help prepare our brothers and sisters. And we must always remember we serve a loving God who gave Himself for us and is calling us to do the same.

Paths of Ever-Increasing Glory Michael Fickess 2016-06-16 *Paths of Ever-Increasing Glory* by Michael Fickess takes Enoch's Blessing a step further by exploring Enoch's unique theology from a biblical perspective. Using Scripture, prophetic insight, and practical instruction, this book further illuminates the mysteries of the Spirit, highlighting Christ's supremacy as the greatest mystery while diving into other important topics, such as angelic ministry, the cloud of witnesses, the "Days of Noah," overcoming the curse of the Fall, and much more.
