Books in Print Supplement 1994

Counseling and Psychotherapy Theories in Context and Practice John Sommers-Flanagan 2018-03-23 Get to know the origins, development, and key figures of each major counseling theory This comprehensive text covers all the major theories in counseling and psychotherapy along with an emphasis on how to use these theoretical models in clinical practice. The authors cover the history, key figures, research base, multicultural implications, and practical applications of the following theoretical perspectives:

Psychoanalytic, Individual/Adlerian, Existential, Gestalt, Person-Centered, Behavioral, Cognitive-Behavioral, Choice Theory/Reality Therapy, Feminist, Constructive, Family Systems, Multicultural, and Eclectic/Integrative. This text has case examples that bring each theory to life. The entire book has been updated with the latest research and techniques. Pedagogical features include learner objectives, "Putting It in Practice" boxes, questions for reflection, case examples and treatment planning, and chapter summaries. Every theory is examined from cultural, gender/sexual, and spiritual perspectives. The instructor supplement package includes a Respondus test bank, chapter outlines, supplemental lecture ideas, classroom activities, and PowerPoint slides. Video demonstrations corresponding to every major theory and linked to each chapter's contents. In addition, a WPLS course will be available after publication. Expanded video elements closely tied to sections of the text New visuals, including graphics, charts, and tables to facilitate student understanding of theories and how they relate to one another Increased coverage of multicultural and ethical issues in every chapter Cultural, gender, sexuality, and spiritual issues are integrated into every chapter The Sommers-Flanagan's hands-on, practical approach emphasizes how students and practitioners can apply these theories in real-world practice. Students are empowered to develop theoretically-sound and evidence-based approaches to conducting counseling and psychotherapy.

PASS: Prepare, Assist, Survive, and Succeed Barbara Bole Williams 2016-01-22 Barbara Bole Williams and Rosemary Mennuti are back with a thorough update to their essential guide to preparing for and achieving the best score possible on the Praxis Exam in School Psychology. Pulling from their years of experience and hands-on involvement in the continued revision of the exam, and presented using their PASS model (Prepare, Assist, Survive, Succeed), these two veteran school psychologists have revised this easy-to-use resource to reflect the most recent exam content, professional standards, as well as the most current practical knowledge for school psychologists. Also included are student test reflections and information on how to obtain and maintain your NCSP credential
