*A Cuban Girl's Guide to Tea and Tomorrow* Laura Taylor Namey  
2020-11-10 A New York Times bestseller A Reese Witherspoon x Hello Sunshine Book Club YA Pick Love & Gelato meets Don't Date Rosa Santos in this charming, heartfelt story following a Miami girl who unexpectedly finds love—and herself—in a small English town. For Lila Reyes, a summer in England was never part of the plan. The plan was 1) take over her abuela's role as head baker at their panadería, 2) move in with her best friend after graduation, and 3) live happily ever after with her boyfriend. But then the Trifecta happened, and everything—including Lila herself—fell apart. Worried about Lila's mental health, her parents make a new plan for her: spend three months with family friends in Winchester, England, to relax and reset. But with the lack of sun, a grumpy inn cook, and a small town lacking Miami flavor (both in food and otherwise), what would be a dream trip for some feels more like a nightmare to Lila...until she meets Orion Maxwell. A teashop clerk with troubles of his own, Orion is determined to help Lila out of her funk, and appoints himself as her personal tour guide. From Winchester's drama-filled music scene to the sweeping English countryside, it isn't long before Lila is not only charmed by Orion, but England itself. Soon a new future is beginning to form in Lila's mind—one that would mean leaving everything she ever planned behind.

*Amy & Roger's Epic Detour* Morgan Matson 2010-05-04 From New York Times bestselling author Morgan Matson comes an emotional and romantic "near-perfect summer read" (Publishers Weekly, starred review) about a teen who begins to heal from grief and open up to new possibility over the course of a cross-country road trip. There were three things Amy Curry didn't expect out of senior year. First: her father's death. Second: her mother's decision to relocate to the East Coast. Third: Roger Sullivan. After her father's sudden death, Amy's mom has decided to start anew—in Connecticut, just before the start of senior year. And she's decided that it'll be Amy's job to get the car from California to Connecticut. The only problem? Amy hasn't gotten behind the wheel since the car accident that took her father's life. Enter Roger, a family friend, tasked by his mother to help Amy drive across the country. Amy's not pleased to be stuck on a road trip with a boy she barely knows, but as she navigates her cross-country adventure, she must confront the past she's running from, come to terms with the grief of losing a parent, and learn how to open her heart in order to find herself again.

**Second Chance Summer** Morgan Matson 2012-05-08 From the Flying Start author of *Amy & Roger's Epic Detour* comes a powerful novel about hope in the face of heartbreak. Taylor Edwards's family might not be the closest-knit—everyone is a little too busy and overscheduled—but for the most part, they get along just fine. Then, Taylor's dad gets devastating news, and her parents decide that the family will spend one last summer all together at their old lake house in the Pocono Mountains. Crammed into a place much smaller and more rustic than they are used to, they begin to get to know each other again. And Taylor discovers that the people she thought she had left behind haven't actually gone anywhere. Her former best friend is still around, as is her first boyfriend—and he's much cuter at seventeen than he was at twelve. As the summer progresses and the Edwards become more of a family, they're more

aware than ever that they're battling a ticking clock. Sometimes, though, there is just enough time to get a second chance with family, with friends, and with love.
