*Much Promise: Successful Schools in England* Barnaby Lenon 2017-04-24 Barnaby Lenon, a former schoolmaster and headmaster who is chair of the Independent Schools Council, takes an in-depth look at the elements that make up a successful school. He examines leading and latest research on school leadership and management; looks at how teachers, pupils, parents and governors can achieve results; and puts the spotlight on subjects, exam systems and social mobility. For his research, he visited a number of schools that are achieving outstanding results: John Perryn Primary School, Acton; Tollgate Primary School, Newham; King Solomon Academy, Marylebone; Burlington Danes Academy, Hammersmith; West London Free School, Hammersmith; Michaela Community School, Wembley; St Mary Magdalene Academy, Islington; Dixons Kings Academy, Bradford; Tauheedul Boys' School, Blackburn; London Academy of Excellence, Newham; and Brighton College. His analysis of their innovations and achievements provides an insight into some of England's most successful schools.

**Master Why** George Booth 2009-03-06 The Reverend G.K. Booth, 1912-2000 Sheltering behind a dramatic alter ego, with mock locations and a cast of barely disguised real-life characters, the author gives a candid portrayal of his own strutting, fretting hour on life's stage. Lonely child, Oxford scholar, war-time deacon, public school housemaster and college lecturer were the conventional roles he played but jealous passion and unorthodox behind-the-scenes goings-on enliven his inimitable relationships and provoke ruthless self-examination. Telegrammatic prose, infuriating conceit, unbowlerised sex and radical faith characterise this unusual work, but, ultimately, what holds the scenes together is his determination to make sense of the whole cosmic production and, in particular, his own earthly parts in it.
