Dark Awakening Kendra Leigh Castle 2011-07-01 Enter the world of the Dark Dynasties . . . For centuries, shapeshifting vampire Tynan MacGillivray has prowled the night as an outcast, valued only for his ferocious hunting skills. When a feud among the immortals escalates into all-out war, he is ordered by his ruthless queen to locate a Seer-a human woman with a special gift-who can secure victory for their clan. Ty's search leads him to a quiet New England town, but once he has the Seer in his grasp, her touch awakens within him a hunger like he's never known . . . Lily Quinn has always been different. Since childhood, she's had vivid nightmares and an eerie sixth sense. When a sexy, silver-eyed stranger demands her help, Lily plunges into a new world of danger and sensuality. With Ty, she discovers sizzling passions she cannot deny and powers she cannot control. Soon, it is clear that Lily is much more than a Seer-she holds the key to ancient secrets and unthinkable destruction. But will a vampire's vow of eternal protection stop these evil forces . . . or unleash her dark destiny?

A Kiss in Darkness Carol Goodnight 2021-10-17 Tragedy, Omens, Murder This romance laced suspense novel is a tangle of deceit and destiny. As naïve and grief-stricken Carolyn Wingate runs from the tragedy of her CIA brother's death in a misguided attempt to avoid the pain, she meets Andrew, a handsome billionaire with a gentle nature and poignant words to sooth her soul. It doesn't take long under the gentle swaying Spanish moss in the beguiling city of New Orleans before Andrew charms her even further from her usual careful and steady life. His feverish seduction and ever-growing passion, added to his privileged lifestyle and the exotic locale, serve to smooth the broken shards of Carolyn's heart, where she is surprised to find love budding again. On family trust

business, Andrew invites Carolyn to join him for a boat trip through the Jean Lafitte swamp to inspect a long-abandoned plantation before it's donation. Apprehensive that grief has clouded her judgement, she nevertheless allows the deep gaze of Andrew's smoldering blue eyes to convince her to embrace the adventure. The haunting beauty amidst the fragrant Joe-pie weed and wild orchids of the bayou quickly becomes a nightmare when a boat crash in the murky depths of the secluded bayou begins a string of perilous situations Carolyn could never have imagined. *Midnight Reckoning* Kendra Leigh Castle 2012-01-01 Two separate worlds . . . One passion that binds them Wild and passionate by nature, Lyra Black is not just any werewolf. She's the future leader of the powerful pack of the Thorn-if she can stay alive long enough to inherit the title. One of the Cait Sith bloodline of vampire cat-shifters, Jaden Harrison has no interest in the wars plaguing the world of night. But when he rescues Lyra from a violent attack, they're both captured by an insatiable desire that threatens to overwhelm them and bind them together for eternity . . . just as ancient enemies prepare to strike. And when they do, the Thorn and the Cait Sith-and Lyra and Jaden's love-may never recover from the deadly blow . . .

Ballads & Lyrics of Old France Andrew Lang 1898

Ballads and Lyrics of Old France Andrew Lang 1907

Ballads, Lyrics, and Poems of Old France Andrew Lang I have a tree, a graft of Love, That in my heart has taken root; Sad are the buds and blooms thereof, And bitter sorrow is its fruit; Yet, since it was a tender shoot, So greatly hath its shadow spread, That underneath all joy is dead, And all my pleasant days are flown, Nor can I slay it, nor instead Plant any tree, save this alone. Ah, yet, for long and long enough My tears were rain about its root, And though the fruit be harsh thereof, I scarcely looked for better fruit Than this, that carefully I put In garner, for the bitter bread Whereon my weary life is fed: Ah, better were the soil

unsown That bears such growths; but Love instead Will plant no tree, but this alone. Ah, would that this new spring, whereof The leaves and flowers flush into shoot, I might have succour and aid of Love, To prune these branches at the root, That long have borne such bitter fruit, And graft a new bough, comforted With happy blossoms white and red; So pleasure should for pain atone, Nor Love slay this tree, nor instead Plant any tree, but this alone.

Deadly Kisses Kerri Cuevas 2024-06-30 The afterlife has been sweet for Aiden as a new Grim Reaper until his next assignment unravels everything: reaping the soul of Bee, the only girl he's ever loved. His kiss of death fails, tangling their souls together and leaving Bee alive but hunted by ancient Grim Reapers who want her healing abilities. Not even Aiden's boss, Abraham Lincoln, can offer a solution. In a realm where rules are absolute, Aiden faces an impossible choice: defy the natural order and bargain with his soul to protect Bee. As they navigate the afterlife together, they uncover a web of deceit and danger that threatens their lives and the very balance of existence itself. In this gripping tale of love, sacrifice, and the supernatural, Aiden and Bee must confront forces beyond their understanding to save Bee's family and themselves.

Spiritual Interpretations Roosevelt Jackson 2014-11-26 The reason why readers would be so interested is because of the spirituality: Learning the spiritual side of life, how good God really is, and how to include the word of God into the equation; in every area of their lives, whether it be financially, physically, mentally, by faith, in which we walk by: Faith is simply believing that God is our source, and not the world economy. To understand that God has given us very things that we need to accommodate us in this life. Most things, we can do for ourselves because of the abilities that God has bestowed upon us; but the Heavenly things, we have to declare and decree from Heaven, such as when we pray; whatsoever we pray for, believe that we already received them, and then you will have them. You have to trust God first, before you receive whatever it is that you ask for in Jesus name. It is always have to be in Jesus name, if not in Jesus name, then you might have a delay, you see, that's how the gospel works. Jesus died for us to have the things that we are so deserving of, all we have to do is believe it, declare it, and decree it, and it shall be given to us. But, if you dont spend time in the word of God, then you have no clue what to expect, you have no knowledge of all the promises that God said yes to; there is over seventy seven hundred promises in the Bible that God said yes to, we just have to believe, and say yes to them in order to receive the promises of God; you see, it's simple when you know the word of God for your lives. I've study the word of God for the last ten years of my life. So I am a witness to the fact. And here's another fact, I use to wake up every morning with back pain, I would stumble to my feet, but, once I'd reach for my bible and started to read it, before I could get through the first paragraph the pain had vanished. Once I'd learn how to pray and study the bible, I haven't taken a pain pill since February of 2010. I would like for everyone to experience the goodness of God and the example of Jesus Christ our Lord and Savior. If only I knew back then, what I know now, I would have been committed myself to Jesus. I just pray that everyone will learn to

give their lives over to Jesus. So that's how much I think that my book will be an inspiration to others. So yes, I am completely satisfied with my work, so I approve it in every way for publishing. I thanked God, for giving me the strength to endure the last two and a half years to complete this book; it has been a blessing and honor to credit this book to God Almighty. My way of showing appreciation for all that God has done for me in my life. So there you have it. Thanks for the word, Roosevelt Jackson. Bless you all. In Jesus name. Until next time.

The Quarterly Review William Gifford 1894

The Selected Works of Andrew Lang Andrew Lang When the learned first gave serious attention to popular ballads, from the time of Percy to that of Scott, they laboured under certain disabilities. The Comparative Method was scarcely understood, and was little practised. Editors were content to study the ballads of their own countryside, or, at most, of Great Britain. Teutonic and Northern parallels to our ballads were then adduced, as by Scott and Jamieson. It was later that the ballads of Europe, from the Feroes to Modern Greece, were compared with our own, with European Märchen, or children's tales, and with the popular songs, dances, and traditions of classical and savage peoples. The results of this more recent comparison may be briefly stated. Poetry begins, as Aristotle says, in improvisation. Every man is his own poet, and, in moments of strong emotion, expresses himself in song. A typical example is the Song of Lamech in Genesis—"I have slain a man to my wounding, And a young man to my hurt." Instances perpetually occur in the Sagas: Grettir, Egil, Skarphedin, are always singing. In *Kidnapped*, Mr. Stevenson introduces "The Song of the Sword of Alan," a fine example of Celtic practice: words and air are beaten out together, in the heat of victory. In the same way, the women sang improvised dirges, like Helen; lullabies, like the lullaby of Danae in Simonides, and flower songs, as in modern Italy. Every function of life, war, agriculture, the chase, had its appropriate magical and mimetic dance and song, as in Finland, among Red Indians, and among Australian blacks. "The deeds of men" were chanted by heroes, as by Achilles; stories were told in alternate verse and prose; girls, like Homer's Nausicaa, accompanied dance and ball

play, priests and medicine-men accompanied rites and magical ceremonies by songs. These practices are world-wide, and world-old. The thoroughly popular songs, thus evolved, became the rude material of a professional class of minstrels, when these arose, as in the heroic age of Greece. A minstrel might be attached to a Court, or a noble; or he might go wandering with song and harp among the people. In either case, this class of men developed more regular and ample measures. They evolved the hexameter; the *laisse* of the *Chansons de Geste*; the strange technicalities of Scandinavian poetry; the metres of Vedic hymns; the choral odes of Greece. The narrative popular chant became in their hands the Epic, or the mediaeval rhymed romance. The metre of improvised verse changed into the artistic lyric. These lyric forms were fixed, in many cases, by the art of writing. But poetry did not remain solely in professional and literary hands. The mediaeval minstrels and jongleurs (who may best be studied in Léon Gautier's Introduction to his *Epopées Françaises*) sang in Court and Camp. The poorer, less regular brethren of the art, harped and played conjuring tricks, in farm and grange, or at street corners. The foreign newer metres took the place of the old alliterative English verse. But unprofessional men and women did not cease to make and sing.

Dark Seduction Box Set Kendra Leigh Castle 2018-10-05 A box set of five paranormal romance novels that will slay you! *Dark Awakening*, by Kendra Leigh Castle When a feud among the immortals escalates into all-out war, Tynan MacGillivray is ordered by his ruthless queen to locate a Seer who can secure victory for their clan. Ty's search leads him to a quiet New England town, but once he has the Seer in his grasp, her touch awakens within him a hunger like he's never known . . . *Pleasure Unbound*, by Larissa Ione Tayla Mancuso is a demon-slayer who lands in a hospital run by demons in disguise. The head doctor, Eidolon, makes her body burn with unslakable desire, but she knows she must betray the surgeon who saved her life. Eidolon cannot resist this fiery, dangerous woman, yet she could very well be the hunter who has been preying upon his people. With his need to find the perfect mate before a horrific transformation claims him forever, will Eidolon dare the unthinkable-and

let Tayla possess him, body and soul? Dragon Fall, by Katie MacAlister Aoife Dakar sees extraordinary things . . . too bad no one else believes that she witnessed a supernatural murder. Returning to the scene for proof, Aoife encounters a gloriously naked man who can shift into a dragon. Kostya has no time for a human woman, no matter how gorgeous she is. But to survive the coming battle for the fate of his race, he needs a mate of true heart and soul . . . Accidentally in Love with a...God?, by Mimi Jean Pamfiloff Emma Keane is your average city girl. There's just one thing setting her apart: the disembodied male voice speaking to her through her mind. Sounds kind of crazy? But crazy turns downright deadly when the voice persuades her to travel to the wilds of the Mayan jungle. There she will free his body-his incredibly hot, muscled, naked body.
