Feminist Social Work Practice in Clinical Settings Mary Bricker-Jenkins 1991 Written by practitioners for practitioners, this volume examines feminist practice in conventional settings, where social workers who are feminist struggle to integrate their commitments and analyses into their day-to-day work. Contributors explore issues of concern to feminist social workers, including family violence, social security and child abuse. They include case studies from a variety of clinical settings, such as health centres, hospitals and community health and counselling centres.

Designing and Managing Programs Peter M. Kettner 2008 *Designing and Managing Programs: An Effectiveness-Based Approach*, Third Edition, is an updated version of THE classic book on program management and design. This new edition is written in a deliberate manner that has students following the program planning process in a logical manner. Students will learn to track one phase to the next, resulting in a solid understanding of the issues of internal consistency and planning integrity. The book's format guides students from problem analysis through evaluation, enabling students to apply these concepts to their own program plans.

Introduction to Health Education and Health Promotion Bruce G. Simons-Morton 1995 Brings the study of health education to the brink of the twenty-first century, recognizing the role that health promotion efforts will play in the future health of the U.S. & emphasizing health education as the primary profession concerned with health promotion processes.

Management of Human Service Programs Judith A. Lewis 2001 Covering the most important issues facing managers and administrators in human service agencies in the 21st Century, this thoroughly updated and revised edition is the most current text on the market. The authors provide an overview of the managerial and leadership functions that a successful manager or administrator in the human services needs to understand. Practical in its approach, the book introduces students to the theory and practice of managerial and leadership functions and provides important guidelines for working within agencies. This text is useful for readers already in the workforce as managers and administrators, as well as for students who will be entering human service agencies.

Designing and Managing Programs Peter M. Kettner 2016-01-19 The Fifth Edition of the classic *Designing and Managing Programs* for human services helps readers grasp the meaning and significance of measuring performance and evaluating outcomes. The authors, all leaders in the field, incorporate the principles of effectiveness-based planning as they address the steps of designing, implementing, and evaluating a human services program at the local agency level. Meaningful examples at every stage of the process—from problem analysis and needs assessment to evaluating effectiveness and calculating costs—enhance reader understanding of how concepts are implemented in the real world.

Understanding Child Sexual Maltreatment Kathleen Coulborn Faller 1990-06 Despite increased awareness of the problem of sexual abuse, most institutions training the helping professions have trouble compiling material for their regular curricula on child sexual victimization. This book fills the need for all the relevant material to be drawn together in

an accessible form. The clear structure takes the reader through terms and approaches and provides useful guidelines for dealing with sexual maltreatment. It will be an indispensable tool for helping professionals and others making assessment and intervention decisions in cases of child sexual abuse.

Data Analysis for the Helping Professions Donald M. Pilcher 1990-02 A vital practical guide for professionals and students in nursing, education and social work, this volume helps readers to select the most appropriate statistical procedures for analyzing data. The author provides illustrations and examples of the application of these procedures to research issues. The volume directs readers to relevant texts for in-depth discussion of specific procedures.

Christian Scholar's Review 2001

Designing and Managing Programs Peter M. Kettner 2022-09-30 This classic text for social work and human services helps readers grasp the meaning and significance of measuring performance and evaluating outcomes. Hands-on and practical, *Designing and Managing Programs* incorporates the principles of effectiveness-based planning as it addresses the steps of designing, implementing, and evaluating a human services program at the local agency level. Written by leaders in the field, it guides students through the process from beginning to end. Meaningful examples—from problem analysis and needs assessment to evaluating effectiveness and calculating costs—enhance reader understanding of how concepts are implemented in the real world. The Sixth Edition contains new examples and references, and updates based on changes to federal regulations. An instructor website includes essay questions, PowerPoint slides, and suggested assignments designed by the authors.

An Introduction to Human Services Barbara Schram 2000 "This book is known for its engaging style and for the many current examples of human service practitioners at work, which makes it a top seller in its market. It offers a historical context of the field of human services, insights into the overall social welfare field, and concrete descriptions of how primary intervention strategies are put into daily practice in human service agencies." It provides a well-rounded look at the many options offered in the field of human services, and aims to prepare entry level human service workers for future careers. There is a strong multicultural emphasis. Social welfare chapter (Ch. 6) is completely revised to reflect the new Welfare Reform Act (TANF). Incorporates a new section on managed care included in the case management chapter (Ch. 9). Presents new material on the use of computers and the Internet in social agencies in the planning chapter (Ch. 11)." For practitioners of human

services and/or social work.
