**What Congress & Gandhi Have done to the Untouchables** Dr.Baba Saheb Ambedkar 1946

What Congress and Gandhi Have Done to the Untouchables Bhimrao Ambedkar 2023-05-17 The book investigates in depth the outcomes of the Provincial Legislative Elections held in February 1937 in accordance with the Government of India Act of 1935. In sharp contrast to the dominant, bourgeois-dominated Congress party, Dr. Ambedkar provides a perceptive picture of the absence of political rights enjoyed by Scheduled Caste candidates (during the election). This book also seeks to debunk the misconception that Mahatma Gandhi was the "benefactor" of the Dalit.

**The Untouchables of India** Robert Deliège 1999 "This book addresses the problem of untouchability by providing an overview of the subject as well as penetrating insights into its social and religious origins. The author persuasively demonstrates that untouchability is a deeply

ambiguous condition: neither inside nor outside society, reviled yet indispensable, untouchables constitute an original category of social exclusion." "The situation of untouchables is crucial to the understanding of caste dynamics, especially in contemporary circumstances, but emphasis, particularly within anthropology, has been placed on the dominant aspects of the caste system rather than on those marginalized and excluded from it. This book redresses this problem and represents a vital contribution to studies of India, Hinduism, human rights, sociology, and anthropology."--Jacket

B.R.Ambedkar philosophy,religious,political terms.Untouchability is a status of certain social groups confined to menial and despised jobs. It is associated with the Hindu caste system. But similar groups exist outside Hinduism, for example the Burakumin in Japan and the Hutu and Twa in Rwanda. At the beginning of the twenty-first century there were over 160 million untouchables on the Indian subcontinent.The British had granted special political representation to the Untouchables and also started a system of reservations in government jobs in the early 1940s. The scheduled castes became politically distinct under the leadership of Bhimrao Ramji Ambedkar. Ambedkar, who converted from Hinduism to Buddhism at the end of his life in 1956, held that the Untouchables had been Buddhists isolated and despised when Brahmanism became dominant about the fourth century. While Ambedkar, supported by the British, pursued all means of securing special rights for Untouchables, Gandhi opposed those measures as too divisive,condemning untouchability without renouncing Varna (Hinduism).

**Who Were the Untouchables? And How They Became**

**Untouchables?** Dr Ambedkar 2024-09-27 This book exposes the roots of the caste system and untouchability. BR Ambedkar, who himself belonged to the untouchable caste, describes the lives of the untouchables and the discrimination and oppression they faced. The book analyses religious texts such as the Vedas, Puranas and Manusmriti to show how these texts declared the untouchables 'impure' and 'inferior' and isolated them from society. Ambedkar also explains how colonial rule further strengthened this practice. This book also documents the struggles of the untouchables and the movements for their rights. 'Who Were the Untouchables and How They Became Untouchables?' is an important book for understanding the caste system and untouchability. It is also a source of inspiration for those fighting for social justice and equality.

? Bhimrao Ramji Ambedkar 2018-09-29 This book is a sequel to my treatise called The Shudras-Who they were and How they came to be the Fourth Varna of the Indo-Aryan Society which was published in 1946. Besides the Shudras, the Hindu Civilisation has produced three social classes whose existence has not received the attention it deserves.

**Beyond Caste: Gandhi And Ambedkar Views On Untouchability** Dr.

Amulaya Pradhan Gandhi and Ambedkar both strongly opposed untouchability but differed in their approaches to ending it. Gandhi viewed untouchability as a moral evil within Hindu society and worked for reform through spiritual awakening and social harmony. B. R. Ambedkar Shashi Tharoor 2023-05-02 A household name throughout India, B. R. Ambedkar is one of the country's most important figures, second only to Mahatma Gandhi. He played a major role in drafting the constitution for a newly independent India and led the fight against caste-based discrimination. Ambedkar was born into a Dalit caste (the so-called 'untouchables'), but his academic brilliance saw him study

at Columbia University and London School of Economics. As a politician, he fought to overturn centuries of discrimination and promoted liberal constitutionalism in a traditionally illiberal society. He did more than anyone to articulate a cogent and enduring case for the principles of democracy in a country emerging from imperial rule. This book is also a reminder of how far the practice of politics has strayed from the high standards Ambedkar set – of intellectual distinction, policy positions animated by serious scholarship, the infusion of moral values and the upholding of democracy for the many, not just the privileged few.

**Rethinking untouchability** Jesús F. Cháirez-Garza 2024-03-12 This book examines the transformation of untouchability into a political idea in India during the first half of the twentieth century. At its heart is Ambedkar's role and the concepts he used to champion untouchability as a political problem. Ambedkar's main objective was to comprehend the numerous avatars of untouchability in order to eradicate this practice. Ambedkar understood untouchability beyond aspects of ritual purity and pollution by stressing its complex nature and uncovering the political, historical, racial, spatial and emotional characteristics contained in this concept. Ambedkar believed the abolition of untouchability depended on a widespread alteration of India's political, economic and cultural systems. Ambedkar reframed the problem of untouchability by linking it to larger concepts floating in the political environment of late colonial India such as representation, slavery, race, the Indian village, internationalism and even the creation of Pakistan.
