I Am Gonna Tell Jane T. Doe 2013-11 Jane had a pretty good life. She was a single mother, and she worked hard for her three kids. Then she met someone she believed to be the man of her dreams, handsome, gentle, quiet, and kind. Eleven months later, they were married. Soon, her daughter, Michelle began to change; she became distant and withdrawn. Something was wrong, but Jane couldn't figure out what it was. She never thought to look at her husband as being the cause her daughter's moodiness or imagine that it might be somehow related to sexual abuse. Her husband-a young, handsome man with a nine-to-five job, an ex-wife and kids

of his own-was nothing like her image of a pedophile.

Love Surfaced Michelle Lynn 2015-03-29 The equations are simple. Piper Ashby + Brad Ashby = Twin Siblings Brad Ashby + Tanner McCain = Best Friends Piper Ashby + Tanner McCain = Off limits Tanner and I abided by the rules. We stayed on our designated sides of the relationship circle. Ignoring swarming butterflies. Brushing off skipped heartbeats. Settling on lingering stares. Here's the secret ... a hand extended over that invisible line once, exponentially changing the equation. I was convinced we could make our relationship work until Tanner broke the trust he embedded

in me from the age of seven. One deceit of mega proportions and the relationship we built for that short month vanished. I swore never to speak to him again and it's worked. Until now-two years later, when my brother's wedding places me face-to-face with the best man-Tanner McCain. Leaving one equation to be solved. Can love surface twice?

The Beckoning Michael Minot 2014-10-07 An Unexpected Journey From Atheism To Christianity "In The Beckoning: Examining the Truths That Transformed an Atheist Attorney Into a Believer In God", Michael Minot details his journey from Atheism to Christianity. Engaging and thought provoking, this story provides incite into the inner workings of Michael's deeply prejudiced atheist mind and the intense struggle that occurred when he encountered God's truths. "Encouraging to fellow believers and a revelation to skeptics, Michael Minot's recounting of how he was wooed from atheism to faith is a fascinating read, unique in its approach and thorough in its layout of his case." --- Jerry B. Jenkins, Writer of the Left Behind series "An amazing story and superbly written. "The Beckoning" may be one of the most powerful conversion stories brought to

print in the last 10 years. Page after page, so many insights I never considered before. And I've been a Christ follower for more than 40 years. An outstanding read." --- Dr. Larry Thompson, Senior Pastor, First Baptist Church of Fort Lauderdale, Florida

One Silken Thread Lee D. Scheingold

2013-02-24 Lee Scheingold's rich, painful intellectual and personal journey—following the death of her husband, famed political scientist Stuart Scheingold—is described from the points of view which have informed her life: psychoanalysis, clinical social work, Buddhism, and family medicine. Yet it is poetry that is the connecting thread, beginning with the Russian poems which she studied long ago in college. She describes her return journey to Russian literature in the wake of profound grief. This is an emotional and yet academic account from an author who has approached her life with almost continual self-reflection. As a result of this

examined life, the factors and life experiences which enabled her to tolerate, and even welcome, the feelings of grief are explored. Two psychoanalyses and a ten-year practice of Buddhism are examined in detail with the issue of meaning foregrounded. Emotions have central stage here, but ideas are close behind. For Lee Scheingold, poetry links the two. The deeply evocative style of the book resembles poetry itself.

Illuminating the Narrow Gate Karl R. Luther

2022-01-17 The apocalyptic end times have finally arrived. What is coming to an end, though, is not what you have been led to believe. Do you desire the truth about God, our foremost religions, the purpose of life and the future of our planet? Are you ready to challenge the religious powers that be to learn what most would rather not know? If so, this revolutionary book will help you transcend the darkness on your eternal journey home to a God of pure, unconditional love (a God who has no cause or need to ever judge or condemn anybody). Illuminating the Narrow Gate reveals the flaws of the mainstream Western religions as it guides and empowers its readers to embrace an enlightened spirituality. Brimming with astonishing insights and revelations, it will shock the world by debunking the “fire and brimstone” theology of mainstream Christianity. It primarily accomplishes this by unraveling the apocalyptic prophecies of Daniel, the gospels and Revelation in their entirety. In fact, they contain hidden

spiritual messages that contradict what has been confidently preached for all these centuries. Like a challenging riddle that cannot be solved, the answer is obvious in hindsight. Only the blinding power of a paradigm can explain how we missed it for so long. The revelations will strike with devastating force because the book first arrives at the same conclusion through more traditional means. It convincingly describes how Jesus had come to uproot Judaism, but the version of Christianity that developed in his wake failed to make the paradigm shift. Erroneous tenets that should have been discarded were instead institutionalized in both theology and authority. The book also blazes a third independent trail to the same destination by showing how this ancient religious tree bore its poisonous fruit in both the Holocaust and the abomination of slavery that fathered the Civil War. Furthermore, the book illuminates the nature of evil and its well-cloaked ways, which is essential for unraveling the prophecies. This wisdom

yields a new and astonishing interpretation of the Book of Job that delivers a quantum leap in insight over the prevailing understanding. As the first devout Christian to read this interpretation commented, "It rocked my apple cart to the core." In addition, it presents an array of scientific evidence for the spiritual realm's existence that complements its amazing demonstration that long-range prophecy is truly possible. It thus shows the atheistic religion of scientism is also doomed. Meanwhile, the book proves Jesus was the "Anointed One" (Messiah) with a telescoping trio of prophecies (from Daniel) that foretold the onset of his ministry to the reign of the Roman Empire, to its first ten emperors in the 1st century CE and to 27-34 CE. Most Christians will thus either fearfully denounce the book as a satanic assault upon their religion or courageously embrace it as the inevitable completion of the Reformation. The great spiritual awakening will soon be kicking into high gear, which is exactly what the

apocalyptic prophecies long ago foretold and the spiritual realm has long been awaiting. As Jesus and a group of angels informed an atheist during his near-death experience in 1985, "The world is at the beginning of a major transformation. It will be a spiritual revolution that will affect every person in the world." Can you handle the truth? Are you ready to awaken? If so, this world-changing book is at your service. * You only have to purchase Vol. I to get the book's core insights and revelations. A PDF document of the Endnotes, Bibliography, Index, et al. (published in Vol. II) can be downloaded for free from the book's website to make Vol. I a self-standing book.

Pathway to Purpose (Volume III) Roderick L. Evans 2022 The third volume of the Pathway to Purpose Devotional comprises of daily devotions developed from Psalm 18 a song of David's deliverance and exaltation to the throne, along with other biblical verses. This devotional series is designed to give Christians faith and hope as

they strive to fulfill their God-given purpose. In the end, the walk and life of the Christian, today, will be enhanced. Volume 3 of 3.

An English Family Julio Dinis 2021-06-01 Mr Richard Whitestone is English and a successful businessman based for many years in Oporto. Despite his many years' residence in Portugal, he remains resolutely English in his tastes and in his accent. His favourite reading is Tristram Shandy, which he reads and re-reads constantly. A widower for many years, he lives with his children Jenny and Carlos. Jenny is the angel of the house and wise beyond her 21 years. Carlos is 18 and much given to carousing with his friends and to falling - very briefly - in love with whichever pretty girl he sees. He is the despair of his father, but his sister believes in him despite all, because she knows he has a good heart. One day, during Carnival, Carlos meets a young woman at a masked ball and falls in love. As ever, the path of true love runs very erratically indeed. Júlio Dinis is sometimes

referred to as the Portuguese Trollope, and this, the first novel he wrote is a keen-eyed evocation of the narrow world of nineteenth-century bourgeois Oporto, but also, and more importantly, it is a brilliant account of family life, in all its flawed beauty.

The Restless Spirit Barbara Kraft 1976

The Kreutzer Sonata Variations Michael R. Katz 2014-08-26 A work unprecedented in world literature, this unique volume contains a new translation of Lev Tolstoy's controversial novella The Kreutzer Sonata, which was initially banned by Russian censors. In addition, available to English readers for the first time is a fascinating and previously neglected constellation of counterstories written by the author's wife and son in direct response to Tolstoy's provocative tale, each a passionate attempt to undo the message of the original work. These radically conflicting tales, accompanied by excerpts from family letters, diaries, notes, and memoirs, provide readers with a vivid and highly revealing

case study of the powerful disputes concerning sexuality and gender roles that erupted within the cultural context of late-nineteenth-century Russian, as well as European, society.
