Persuasive Advertising for Entrepreneurs and Small Business Owners shows you how to plan and execute money-making advertisements and commercials--on a workable budget. Jay Granat, an experienced marketing professional and ad man, provides readers with a practical understanding of advertising principles, media selection, copywriting, consumer behavior, and persuasive advertising methods in promotional efforts. These principles have important implications, and Jay Granat shows you how to utilize them and stay within your means. Successful cases from across the media--television, print, direct mail, radio, transit, and public relations,
