Textbook of Family Medicine E-Book David Rakel 2011-03-24 Edited by Robert E. Rakel, MD and David P. Rakel, MD, Textbook of Family Medicine remains your #1 choice for complete guidance on the principles of family medicine, primary care in the community, and all aspects of clinical practice. Ideal for both residents and practicing physicians, it includes evidence-based, practical information to optimize your patient care and prepare you for the ABFM exam. The full-color format features a clean, quick-reference layout that makes it easy for you to put information to work immediately in your practice. You can also access the complete contents online at www.expertconsult.com, plus 30 videos of common office procedures, additional chapters on timely topics, and figures, tables, and photographs that supplement the text. Prepare for success on the ABFM exam with complete coverage of all aspects of family medicine. Access information quickly with an efficient, full-color layout that makes it easy to apply the latest knowledge in your practice. Take advantage of today's most useful online resources with a convenient list of outstanding clinical websites. Quickly spot "Best Evidence Recommendations" with special boxes located throughout the text. Glean helpful tips on diagnosis and therapy from "Key Points" boxes found on every page. Access the complete contents and illustrations online at www.expertconsult.com - fully searchable - plus additional figures, tables, and photographs online, as well as online-only chapters that cover topics such as prescribing nutritional supplements and botanicals. View 30 videos online covering common office procedures such as vasectomy, the proper use of today's diabetic equipment, and endometrial biopsy. Gain a new understanding of the patient-centered medical home and how to achieve this status in outpatient clinics. Make the most effective care decisions with help from "Evidence vs. Harm" icons that guide you through key treatments of common medical conditions.

Family Medicine Certification Review Martin S. Lipsky 2007 Written by family physicians, this book is a comprehensive question-and-answer review for the American Board of Family Medicine certification and recertification exams. Questions match the content, complexity, and type of questions on the exam, and fifty clinical set problems—a major portion of the exam—are included. This edition's questions and answers have been completely updated, e.g., questions on hypertension and lipids draw on JNC-VII and ATP-III guidelines. Numerous new tables and charts provide relevant information in a concise, convenient manner. This book is also a valuable study aid for USMLE Step 3 and for physician assistant and nurse practitioner licensure exams.
