Unique Learning System is a comprehensive special education curriculum designed for teachers and service providers working with students from Pre-K through transition age. If something is unique, it's the only one around. You might think getting a nose ring would make you unique, until you see five other people on the street with the same piercing. If someone calls you ... unique 1. used to mean 'the only one' If something is unique, it is the only thing of its kind. This is a unique opportunity. Humans are unique because they have the capacity to choose what they do. Unique definition: Being the only one of its kind. if something is unique to a place or situation, it only exists in that place or situation: very special or unusual. The preview offers a unique opportunity to see the show without the crowds. This house has many unique features, including a 45-foot-long outdoor swimming pool. He ... UNIQUE definition: existing as the only one or as the sole example; single; solitary in type or characteristics. See examples of unique used in a sentence. Apr 29, 2026 · unique (comparative *uniquer* or more unique, superlative *uniquest* or most unique) (not comparable) Being the only one of its kind; unequaled, unparalleled or unmatched. The thinking is that unique properly only describes what is unequaled or otherwise distinct from all others. Just as something cannot be more "only" than another, it cannot be more unique than another. You can use unique to describe things that you admire because they are very unusual and special.
