**I Can Fix This** Kristina Kuzmic 2024-05-21 From the author of Hold On, But Don't Hold Still, the emotionally charged and eye-opening account of a mother who navigates the cacophony of best practices and urgent advice from parenting authorities in search of a way to support her teen as he maps his own path to mental health. When Kristina Kuzmič started to see signs that her otherwise sunny, resilient teenage son was struggling, she was sure a few simple fixes could right the ship. But over the following months, the issues her family faced became more nuanced, complicated, and pervasive than she could've predicted—and what began as a clear to do list spiraled into an emotionally fraught and seemingly endless push and pull between signs of progress and overwhelming fear. Despite her best efforts, Kuzmič had internalized a set of obligations, ideas, and unrealistic standards from parenting culture and social media that left her unprepared to guide her child when he needed her most. Featuring an urgent and affirming foreword by renowned and New York Times bestselling clinician Dr. Shefali Tsabary—Kuzmič's new book debunks ten "parenting truths" that kept her in crisis, and delves into her insecurities and the mistakes she made to reveal invaluable lessons and transformative approaches that worked. While her family stands on the other side now stronger than ever, Kuzmič's journey calls to parents who have felt the instinct to say "I can fix this" in situations where good intentions far exceed our abilities to enact change.

**Raising Conscious Daughters** Shefali Tsabary 2026-09-17 A powerful wake-up call, a hands-on guide and a pathway forward to reclaim how daughters are seen, supported and raised in the 21st century, by clinical psychologist and bestselling author Dr Shefali Tsabary. Something

unprecedented is unfolding in the inner lives of our girls today. On the surface, they are excelling and achieving in ways that would seem unimaginable to previous generations. Yet beneath this success lies a far more urgent and unsettling truth: Girls are unravelling at alarming rates. Anxiety, perfectionism, and self-harm are surging, exposing a devastating paradox between the confident, high-achieving facade the world applauds and the fragile, unmoored self that struggles silently within. In a digital age that commodifies attention, comparison, and worth, this inner fracture is no longer slow or subtle. Into this urgent moment comes Raising Conscious Daughters, the groundbreaking new book from clinical psychologist and bestselling author Dr. Shefali, founder of the revolutionary Conscious Parenting movement. Drawing on real-life clinical cases, interviews with children and parents, and deeply practical, prescriptive guidance, Dr. Shefali offers a radical reorientation of how we understand girls today. In this book she shows parents how to raise daughters who: Trust their inner voice Set boundaries with confidence and clarity Stay emotionally connected to their authentic self At a time when girls appear more capable than ever yet feel more fragile within, Raising Conscious Daughters stands as a one-of-a-kind guide for helping them grow into empowered, worthy and resilient beings.

**Out of Control** Shefali Tsabary 2013 The author discusses how parental overconcern with discipline can lead to adult dysfunction for a child later in life and argues for a better relationship with children based on communication, respect, and an emphasis on personal responsibility.

**BABY'S BREATH** Shahnaz Zaidi 2021-04-07 Amidst art and fiction was born the reality of Pari's life .The story takes you on the incredible journey of compassion, empathy and humanity through the eyes of a new born who is atypical in many ways. Pari carves a space in everyone's heart. She is here to take you into her world of reality through the whispers of Khan's Haveli ,the chatter and giggles of her college life and the romance, despair and passion of her young adulthood. Set in the mid-fifties, Baby's Breath is a contemporary fiction that paves its way swiftly through the innocence and adventures of Pari's fostered childhood, transforming her into a brave young adult, through unconditional love, utmost patience, appreciation and encouragement showered by her caregivers. It portrays how these emotions and conviction in her ability to succeed in life allows Pari to be the best version of herself. It's a story where trials and tribulations are embraced and small but significant victories rejoiced. Pari is like you yet so different. Come witness her journey, just hold her hand and navigate your way into her world full of colours.

**Democracies** 2001

**KOI NO YOKAN** Dipti Poojari 2026-01-25 This anthology breathes in that electric, low-key terrifying moment when your heart just knows oh no, it's them long before your mind catches up. Each story lingers on that ancient pull, the quiet prophecy whispered between two strangers who haven't fallen yet but are already halfway gone. It's not about fairytale fluff; it's about destiny humming under the surface, old-fashioned in its certainty yet chaotic in its timing. These pieces explore the slow unfurling of love that feels fated, inevitable, written somewhere deeper than choice. Here, beginnings taste like déjà vu, and every encounter feels like a promise waiting to bloom.

**Live Love Now** Rachel Macy Stafford 2020-04-28 In Live Love Now, New York Times bestselling author Rachel Macy Stafford tackles the biggest challenges facing kids today and equips adults to engage them with humanness and heart, compassion and honesty to discover the deep, life-giving connection everyone is longing for. What do young people need now more than ever? Adults who are Truth-tellers not taskmasters. Encouragers not enforcers. Guides not half-listeners. The good news is, it's not too late! No matter what's happened in the past, you can help the kids you love face the top stressors of today, including academic pressure, parental expectations, technoference, lack of purpose, isolation, and loneliness. With illuminating, straightforward strategies, this guide reveals the importance of practicing acceptance, pursuing peace, and exploring wellness and purpose for yourself so you can be the kind of real, relevant, and lifelong role model young people are searching for. Engaging and thoughtful, each chapter includes moving stories from Rachel's personal journey as a mom of a teen and pre-teen along with illustrative narratives and prompts to help you reflect and take steps

toward becoming the kind of adult young people trust. Whether you're a parent, educator, older sibling, coach, or anyone in a role of leading young people, this book will help you meet the goal of raising and guiding young people to become resilient, compassionate, and capable adults.

**Raising Conscious Sons** Shefali Tsabary 2026-09-15 *Raising Conscious Sons* by bestselling author Dr. Shefali is a clarion call, a practical resource, and a hopeful invitation to radically reimagine how boys are understood, nurtured, and raised in the 21st century. Boys today are standing at a critical crossroads unlike any generation before. They are bombarded with impossible and contradictory mandates: Be tough but never vulnerable; be sensitive but never weak; be strong but never domineering. Caught between these warring expectations—and shaped by a digital world that amplifies comparison, disconnection, and performative identity—boys are now experiencing an unprecedented crisis of masculinity, marked by alarming rates of suicide, aggression, isolation, and apathy. In *Raising Conscious Sons*, clinical psychologist and bestselling author Dr. Shefali—founder of the revolutionary Conscious Parenting movement—offers a bold and urgently needed map

for helping boys reclaim their sense of purpose and their capacity to engage meaningfully with life. Drawing on real-life clinical cases, interviews with children and parents, and practical, prescriptive guidance, she shows parents how to raise sons who: Feel emotionally secure and connected to their inner world Develop confidence grounded in integrity rather than dominance Step into purpose with clarity, empathy, and self-discipline At a time when boys are flooded with messages about masculinity yet lack guidance on how to embody it, *Raising Conscious Sons* stands as a one-of-a-kind guide for helping them stay emotionally connected, authentic and grounded in who they are.

**The Awakened Family** Shefali Tsabary, Ph.D. 2017-05-30 FINALIST FOR THE BOOKS FOR A BETTER LIFE AWARD • NEW YORK TIMES BESTSELLER "Parents . . . you will be wowed and awed by [Dr. Shefali]." —Oprah Winfrey As seen on Oprah's SuperSoul Sunday, a radically transformative plan that shows parents how to raise children to be their best, truest selves, from the New York Times bestselling author of *The Conscious Parent*. What if...? What if I told you that you can put an end to all of your parenting struggles? That you can learn to parent without fear or anxiety? That you can end conflict with your children? That you can create close and connected relationships within your family? ...Would you accept this invitation to a revolution in parenting? We all have the capacity to raise children who are highly resilient and emotionally connected. However, many of us are unable to because we are blinded by modern misconceptions of parenting and our own inner limitations. In *The Awakened Family*, I show you how you can cultivate a relationship with your children so they can thrive; moreover, you can be transformed to a state of greater calm, compassion and wisdom as well. This book will take you on a journey to transcending your fears and illusions around parenting and help you become the parent you always wanted to be: fully present and conscious. It will arm you with practical, hands-on strategies and real-life examples from my experience as a parent and clinical psychologist that show the extraordinary power of being a conscious parent. Everyone in your family is ready to be awakened. Will you take this journey with me? —Shefali

**The Conscious Parent** Shefali Tsabary 2014-08-28 THE NEW YORK TIMES BESTSELLER Conscious parenting is about becoming mindful of your behaviour and engaging with your child as an individual. Dr Tsabary inspires parents to get back in touch with their emotions and shed the layers of baggage they have inherited during their own life and are unconsciously heaping on their children. As they become 'conscious' in their parenting, so parents can transform their relationship with their offspring and raise happy, well-adjusted children. *The Conscious Parent* is already transforming the way people are parenting through its sales in the US where it's spent 15 weeks on the New York Times bestseller list.
