**Dictionary of the Old Testament: Historical books** BILL T ARNOLD 2020-05-21 The 'Dictionary of the Old Testament: Historical Books' is the second volume in IVP's Old Testament dictionary series. This volume picks up where the 'Dictionary of the Old Testament: Pentateuch' left off - with Joshua and Israel poised to enter the land - and carries us through the postexilic period. Following in the tradition of the four award-winning IVP dictionaries focused on the New Testament, this encyclopedic work is characterized by in-depth articles focused on key topics, many of them written by noted experts. The history of Israel forms the skeletal structure of the Old Testament. Understanding this history and the biblical books that trace it is essential to comprehending the Bible. The 'Dictionary of the Old Testament: Historical Books' is the only reference book focused exclusively on these biblical books and the history of Israel.

Righteous Jehu and his Evil Heirs David T. Lamb 2007-11-22 David T. Lamb examines not only the dynasty of Jehu within the narrative of 2 Kings, but also the broader context of the dynasties of Israel and Judah in the books of Kings and Samuel. Lamb discusses religious aspects of kingship (such as anointing, divine election, and prayer) in both the Old Testament and in the literature of the ancient Near East. He concludes that the Deuteronomistic editor, because of a deep concern that leaders be divinely chosen and obedient to Yahweh, sought to subvert the monarchical status quo by shaping the Jehuite narrative to emphasize that dynastic succession disastrously fails to produce righteous leaders.

**Break the Alabaster Box** Pedro F. Patrick 2014-07-25 Every church ministry is driven by something. In this lively and refreshing book, Pedro Patrick unfurls the profound beauty of unction and shows that the Bible brightens everything. Anointing is the driving force behind all successful ministries. The pages of this book discuss this subject and boldly explain why the Christian world is not enjoying the anointing. Break the Alabaster Box stresses the missing nectar of life--the Holy Spirit--in our personal lives. The author teaches of unction with all force and clarity. Pedro Patrick offers to the hearts of readers an explanation of what unction is all about. The unction that he receives provides the framework for the action of this book.

He points out that anointing is a part of our Christian spiritual character; without it, no one can be equipped to take action against demons in the same way that Jesus himself did. Deliverance from evil spirits is the one evidence that shows the world that the kingdom of God has come, and anointing seals that evidence.

*Deeper Revelations of the Anointing* Apostle Frequency Revelator 2015-01-02 "Do you want to be the World's most anointed? The secret is in the pursuit of the ingredient of the anointing. Globally, every sphere of human endeavor is grossly dependent on the anointing. The anointing is the most significant and integral factor that breeds tremendous results of power both individually and corporately. It is the current church's diet and a delicate recipe for the church to flourish in a hostile world dominated by violence, crime, corruption and gross wickedness. It is our most precious possession in living a naturally supernatural life since God's presence is embodied in the anointing. As the Founder and President of the Global Church, Apostle Frequency Revelator ushers a fresh but provocative revelation of how you can tap into the realm of the anointing of the Holy Spirit to launch the world into greater depths of the miraculous. With considerable depth, insight and revelation, the author has provided an incredible tool for the Body of Christ to tap into greater depths of the anointing to impact the world for Christ in this generation. This book will therefore function as a blueprint to not only understanding the greater depths of the anointing but also to unveiling the mystery of the operation of the new waves of anointing which God is unleashing in the end time season which mark the last wave of miracles. The reading of this book will therefore culminate in the following divine experiences in your life: Firstly, it will trigger volumes of the anointing to rain upon you, flood your spirit and saturate you to the brink of full spiritual capacity. Secondly, it will rain a flood of revelations upon your spirit and provoke an unprecedented stream flow of God's power in your life. Lastly, it will catapult you to the realm of the miraculous to demonstrate the power of God through miracles, sign and wonders like never before. Therefore get ready to propagate the anointing to the furthest extremes of the world!!!"

**The Power and Authority of a Believer** Jerry Udoh, PhD 2025-12-24 The Mandate of Dominion - From Subduing to Reigning The divine narrative of humanity began with a profound and authoritative mandate, ringing with the very essence of purpose and partnership: "Be fruitful and multiply; fill the earth and subdue it; have dominion over the fish of the sea, over the birds of the air, and over every living thing that moves on the earth" (Genesis 1:28). This was no mere suggestion, no casual invitation to exist; it was the original blueprint for human existence, a comprehensive call to partner with the Creator in establishing order, beauty, and righteous stewardship over all of creation. God, in His infinite wisdom and boundless generosity, entrusted humanity with a kingly authority, a shared reign over the pristine world He had just fashioned. This was our initial inheritance, a life of absolute dominion where the spiritual and natural worlds operated in seamless harmony, thriving under our loving and righteous administration. But this perfect order, this idyllic picture of co-regency, was tragically shattered by the fall of Adam. The dominion was not merely challenged; it was lost, not just in its practical exercise, but in its very essence. The scepter

of authority was usurped by an insidious enemy, a "strongman" who came with a singular, destructive agenda: to steal, kill, and destroy. Humanity was plunged from a state of reigning into a new reality—one of subjugation, fear, struggle, and often, utter helplessness in the face of chaos and spiritual opposition. The very earth groaned under the curse, reflecting the dominion that had slipped from humanity's grasp. Yet, our story, woven by the masterful hand of a redeeming God, does not end in despair. In the fullness of time, precisely at the kairos moment appointed by the Father, a better, unique, and incomparably more powerful mandate was instituted through the precious blood of Jesus Christ. This new mandate did not simply restore what was lost; it transcended it. Jesus, the last Adam, the Victorious King, and the ultimate Lord of all, systematically reclaimed all authority in heaven and on earth. He triumphed over every principality and power, disarming them and making a public spectacle of them on the Cross (Colossians 2:15). He recovered the lost title deed of creation and purchased back humanity's rightful place of dominion. However, Jesus, in His strategic wisdom, knew that this reclaimed dominion would not be fully manifested on earth without a divine plan that involved His redeemed people. The enemy, Satan, the number one adversary and a relentless accuser of the brethren, had been cast down to the earth with great wrath, knowing his time was short (Revelation 12:12). His presence meant continued resistance, contention, and the need for active engagement. Jesus understood that true dominion, tangible rulership on earth, is utterly impossible without first subduing the strongman and dismantling his works. That was precisely the reason He deliberately and powerfully bestowed His authority upon us, His Church. Only then, having equipped His disciples with this indispensable power, did He ascend to be at the Right Hand of the Father. We, His followers, are now His empowered agents, His delegated authorities, His co-laborers, entrusted with a master key to unlock and enforce His dominion on earth.
