## **My Three Year Journey to the New York City Marathon**

Hae S. Bolduc 2022-10-23

Journaling for this book began when Hae was accepted into the New York City Marathon. She achieved a qualifying time a year earlier at the Rome Marathon in April 2018.

Starting in February 2019 she began writing about her daily training, her nutrition, and her workout recoveries—how she learned from training mistakes, struggles, disappointments, and triumphs, all the while intertwining her life's pearls of wisdom and understanding of

running as an amateur athlete. Targeting the 2019 New York City Marathon, her training became a three-year journey to finally run the marathon in 2021.

**Camps, 1997-1998** American Camping Association 1997-12  
There are approximately 8000 camps in the U.S., & this is the only complete listing of the 2,000 camps which have earned American Camping Association accreditation by meeting over 300 standards that apply to health, safety, program quality & operating practices. The Guide, published annually, features special indexes that allow a parent to find a camp by activity, special need, special group or location. The American Camping Association has been setting standards for camps since 1935 & has been accrediting camps since 1965. It is the recognized

voice of camps in the United States. This directory will play a prominent part in an intensive public relations campaign to promote the camping experience beginning in February 1997. The campaign includes a satellite media tour featuring members of RADD (Recording Artists Against Drunk Driving) Kids - a group of child celebrities who speak out for safe causes. Buyers can order the book directly from American Camping Association, Inc., 5000 State Road 67 North, Martinsville, IN 46151-7902, 800-428-2267, or from Independent Publishers Group, (800) 888-4741. Look for the 1998-99 edition coming in January 1998.
